FINANCIAL AND OTHER STATUTORY INFORMATION

Operational Risk Financial Requirement (ORFR) Reserve

In January 2014, the Trustee determined to establish and maintain an ORFR Reserve. The purpose of the ORFR Reserve is to protect members' interests should an operational failure occur that may result in losses to a fund or its members.

This reserve is funded by the deduction of a fee (referred to as the ORFR fee) charged to member accounts. The Trustee determined a fee of 0.12% per annum would be deducted from the account balance of Fund members, calculated as at the end of each month or on account closure based on the average account balance. This is the fee that applied in the second half of the 2014/2015 reporting period covered by this annual report.

The fee was used to establish the reserve with the aim of ensuring the Fund meets its ORFR target amount of 0.30% of Fund assets by 30 June 2016.

The reserve is held solely in cash and held as an asset of the Fund.

The Trustee is obliged to review its ORFR arrangements regularly to ensure the fee is set at an appropriate level and to make any changes necessary to ensure regulatory requirements continue to be met. As such, the fee (including the amount or how it is calculated or applied) or the period during which it will be charged may change from time to time. The Trustee is currently undertaking such a review and will separately advise members of any changes.

ORFR Reserve	2015	2014
Amount held in reserve as at 30 June	\$60,808	\$10,672

Allocation of Earnings

The net earnings of members participating in the Greater Rollover and Pension Fund is based on the calculation of interest on a daily basis by the Greater Building Society Ltd which is credited (after tax on investment earnings, in the case of rollover accounts) to members' accounts quarterly. The net earnings rate is influenced by the Reserve Bank overnight cash rate (as amended from time to time by the Reserve Bank).

Some further information about the allocation of returns to member accounts is shown in your annual Member Statement.

Derivatives

It is the Trustee's policy not to use derivative instruments directly. Derivatives include investment products such as futures, options, swaps and warrants. They are securities whose value is derived from other securities or assets. Some of the underlying investment managers utilised in the Investment Options may use derivatives to reduce risks in their investment product and to

FINANCIAL AND OTHER STATUTORY INFORMATION

increase or decrease their exposure to particular investment sectors or markets. However, use of derivatives carries its own risks like the possibility that the derivative position is difficult or costly to reverse, that it does not perform as expected or that the parties to the derivatives contract do not perform their contractual obligations.

WHAT HAPPENS IF YOUR ACCOUNT BECOMES INACTIVE?

Subject to any requirement on the Trustee to transfer lost accounts to the Tax Office in certain circumstances, if we have not received contributions or rollover amounts into your accumulation account for a period of 5 years or more we may transfer your benefit to our nominated Eligible Rollover Fund (**ERF**) - the Australia's Unclaimed Super Fund (AUSfund). The Trustee also reserves the right to transfer benefits to the ERF in any other circumstances that it considers appropriate (for example, small accounts) under broad powers conferred on superannuation trustees under superannuation legislation.

The ERF's contact details are:

Australia's Unclaimed Super Fund (AUSfund)

PO Box 543

Carlton South VIC 3053

Telephone: 1300 361 798

Facsimile: 1300 366 233

Email: admin@ausfund.net.au

Being transferred to the ERF may affect your benefits because:

- You will cease to be a member of the CUBS Superannuation Fund and any insurance you may have will also cease.
- You will become a member of AUSfund and be subject to its governing rules.

AUSfund's investments, fees and costs and other arrangements are different to the CUBS Superannuation Fund. AUSfund does not offer insurance cover.

Where we have your current address, we will advise you of any transfer.

The trustee of AUSfund is Industry Funds Investments Limited (ABN 17 006 883 227).

OTHER IMPORTANT INFORMATION

Important Information for Temporary Residents

The Trustee is required to transfer the superannuation benefits of a former temporary resident to the ATO (as unclaimed money) on request, after six months has elapsed since the temporary resident has left Australia and their visa has expired or is cancelled. If this happens, a former temporary resident can claim their super benefits directly from the ATO as a Departing Australia Superannuation Payment (DASP), subject to applicable tax rates.

Former temporary resident members whose benefits have been paid to the ATO will not be provided with notices or exit statements at the time or after their benefits are transferred to the ATO. The Trustee is taking this approach relying on relief granted by the Australian Securities and Investments Commission (ASIC) from certain reporting obligations in the law, which normally apply when fund membership ceases. This relief recognises that trustees will generally not be aware which members are former temporary residents (until advised by the ATO) and that they may have difficulty communicating to an overseas address or finding correct contact details for the member.

For further information please contact the Administrator or go to www.ato.gov.au.

INQUIRIES & COMPLAINTS

The Trustee has established a procedure for dealing with member enquiries and complaints. Enquiries and complaints should be made to the Complaints Officer.

Complaints can be made to:

Complaints Officer

CUBS Superannuation Fund – Greater Rollover and Pension Fund

PO Box 4344

MELBOURNE VIC 3001

Telephone 1300 855 565

Facsimile (03) 9654 2187

Email gbs@cubssuper.com.au

If you are unhappy with the response to an enquiry, or have a complaint or dispute, you will generally be asked to place your question or problem in writing to the Trustee. The Trustee will endeavour to reach a satisfactory solution to your problem within 90 days of receiving the complaint and will advise you accordingly.

If a satisfactory solution is not achieved within 90 days, or you do not hear from us in this timeframe, you are able to take your complaint to the Superannuation Complaints Tribunal (SCT) by:

- phoning 1300 884 114 (cost of a local call); or
- writing to Locked Bag 3060, Melbourne Victoria 3001; or
- visiting Level 7, 120 Collins Street, Melbourne VIC 3000.

The Tribunal is an independent body set up by the Commonwealth Government to review trustee decisions relating to members (as opposed to trustee decisions relating to the management of the fund as a whole).

You must follow the procedure set out above. The SCT will only handle certain types of complaints and time limits apply for lodging some complaints. If the SCT accepts your complaint it will try to help you and the Trustee to reach a mutual agreement through conciliation. If this is not successful, the SCT will make a decision that is binding on all parties (subject to a limited right of appeal to the Courts).

YOUR PRIVACY

As an investor in CUBS Superannuation Fund you will be protected by the Trustee's Privacy Policy, and that of the Administrator. In summary, this means that we only collect information that is necessary for the efficient operation of the Fund and as required or permitted by law. On occasion, and as required under various types of legislation, certain information may be required to be passed on to various regulatory bodies to ensure that you receive all the benefits to which you are entitled. All parties involved in these transfers are also subject to the privacy guidelines.

A copy of the Administrator's Privacy Policy can be viewed on the *Privacy Policy* page at www.greater.com.au or you may call the Administrator on 1300 855 565 to have a copy mailed to you.

A copy of the Trustee's policy is also available on request by contacting the Trustee.
