

Cash Management

A **Cash Management** account will help grow your savings, with no tricky conditions. You'll earn a higher interest rate the higher your account balance.

Features

- Tiered interest paid quarterly
- Convenient access (branch and online banking)
- No monthly account keeping fee
- Six monthly statements, or more frequently if requested
- Enrol for SMS and email alerts.

How we apply interest

Interest is calculated daily. We calculate interest by applying the daily percentage rate to the entire daily balance based on the relevant tiers.

Interest you earn is paid into your account quarterly on 31 March, 30 June, 30 September and 31 December.

Interest rates are variable and may be changed at any time.

Find the latest interest rates at <https://www.greater.com.au/help/interest-rates>

If the interest calculated on your account on a particular day (when expressed as a number of cents) is not a number of whole cents, the interest is rounded to the nearest cent before it is applied to your account. Where the interest calculated is less than \$0.005 it will be rounded to zero.
