Parts A and B set out general terms and conditions that apply to *your transaction account, savings account or term deposit account*. Other specific terms and conditions that apply to these accounts are contained in the relevant product schedule.

Part A: Transaction accounts, savings accounts and term deposit accounts

1 What is a transaction account?

- 1.1 A *transaction account* is used for *your* everyday transactions. You can put money in and take money out of *your transaction account* multiple times. You can also use it to transfer money to pay other parties or accept transfers of money from other parties.
- 1.2 A *transaction account* may not be suitable for you if you want an account to grow your savings. If you want an account like this, have a look at *our savings accounts or term deposit accounts*.

2 What is a savings account?

- 2.1 The purpose of a *savings account* is to grow your savings.
- 2.2 A *savings account* can't be used like a *transaction account*.

3 What is a term deposit account?

- 3.1 A *term deposit account* is an account that holds a fixed amount of money for a fixed term we agree with you, and which attracts interest at a fixed interest rate for that fixed term.
- 3.2 A *term deposit account* can't be used like a *transaction account*. This means that you can't put money in and take money out of *your term deposit account* multiple times. After you open *your term deposit account*, you can only put *your* money in once and take money out once.
- 3.3 A *term deposit account* may not be suitable for you if you might need the money back before the date we both agreed (i.e. the end of the fixed term). If you ask for *your* money back before this date, then the interest we pay you will be reduced.
- 3.4 If you want to keep saving with us after *your term deposit* has ended you can choose to reinvest *your* money for a further term at the then applicable fixed interest rate or put *your* money in a *savings account*.

Part B: Opening, using and closing your transaction account, savings account or term deposit account

4 Opening and using your transaction account and savings account

- 4.1 After *your transaction account* or *savings account* is opened, subject to these terms and conditions and any other terms and conditions that apply to *your account*, you can start putting money in and taking money out at any time.
- 4.2 You must have at least the minimum balance in *your transaction account* or *savings account* at all times. The minimum balance is set out in the *product schedule*.
- 4.3 You can put money into *your transaction account* or *savings account*, and take it out, in any of the ways listed as *payment methods* in the *product schedule*. You can only take out cleared funds (for example, if you put in a cheque, it may take a number of days for the cheque to be processed).

5 Opening and using your term deposit account

- 5.1 When you open *your term deposit account* (or tell us to rollover *your current term deposit*) you need to tell us how long you would like us to hold *your* money for (this is the **term** of *your term deposit*) and we need to agree on the date the *term deposit* will end (known as the **maturity date**). You will also need to provide us with additional information like where and when you would like interest to be paid. Details of all the information you will need to provide us when you open a *term deposit account* or rollover a *term deposit* are set out in the *product schedule*.
- 5.2 You can start *your term deposit* by putting at least the minimum initial deposit amount into *your term deposit account*. The minimum initial deposit is set out in the *product schedule*.
- 5.3 The amount that you put into *your term deposit account* should be the amount that you want us to hold for the term of *your term deposit*. You'll have the opportunity to add more money to *your term deposit account* at rollover.
- 5.4 If you want to start a new *term deposit* and *your current term deposit* hasn't ended, you must open another *term deposit account*.

6 Closing your transaction account or savings account

- 6.1 You can tell us to close your *transaction account* or *savings account* by visiting us in any of our branches. If you do, we will take out all the money in your account and pay it to you as you reasonably direct.
- 6.2 Before your account is closed, you must pay us any amount you owe us. We can debit any amount you owe us to your account before we pay you the balance.
- 6.3 If you close your account:
- (a) we will cancel any *payment facility* linked to your account
 - (b) you must destroy all *Visa cards* and unused cheques linked to your account.

7 Ending your term deposit account

- 7.1 We'll send you a notice before the maturity date asking whether you'd like to take all the money out of your *term deposit account* on the maturity date or rollover your current term deposit on the day following the maturity date at the then applicable fixed interest rate.
- 7.2 You're required to tell us about what you would like us to do with your money in your *term deposit account* at the maturity date. When you're required to tell us this and what happens if we don't hear from you prior to the maturity date, is set out in the *product schedule*.
- 7.3 Before your *term deposit account* is closed (either on the maturity date or for any other reason) you must pay us any amount you owe us. We can debit any amount you owe us to your *term deposit account* before we pay you the balance.

Parts C - J set out information about the use of your *account* and *payment facilities* that may be available with your account. Other specific terms and conditions that apply to your account and these *payment facilities* are contained in the relevant *product schedule*.

Part C: Interest and fees and charges

8 Interest

- 8.1 We'll say whether or not we pay interest on the amount in your *transaction account* or *savings account* in the *product schedule*. If we do pay

interest on your *transaction account* or *savings account*, the interest rate and the way interest is calculated:

- (a) is set out or described in the *product schedule*
 - (b) is subject to change - we'll notify you of a change as outlined in clause 68.
- 8.2 The interest rate that applies to your *term deposit account*:
- (a) is determined by the term you have chosen. It is set on, and (subject to (b) below) does not change from, the date that you put money into your *term deposit account* (or, if your term deposit is rolled over, the date of rollover)
 - (b) may change if the money is taken out before the maturity date. If the money is taken out before the maturity date the interest rate that applied to the *term deposit account* will be reduced to the reduced rate set out or described in the *product schedule* from the date you put money into the *term deposit account* until it's taken out. The amount of interest paid to you will be adjusted to reflect the reduced rate and if we've already paid the interest, we'll reduce the balance of your *term deposit account* by the amount we've overpaid you.

The interest rate and the way interest is calculated on your *term deposit account* is set out or described in the *product schedule*.

- 8.3 If you have a loan or other credit facility (including a *credit card account*) with us, the interest payable on your loan or credit facility, including the way interest is calculated, is set out or described in your *loan contract* or credit contract.
- 8.4 Current interest rates are available on our website, by visiting us in any of our branches or by calling us.
- ## 9 Fees and charges
- 9.1 The fees and charges that may be payable in respect of your *transaction account*, *savings account* or *term deposit account* or the *payment facilities* available with your account are set out or described in the *product schedule* along with details of when these fees and charges are required to be paid. You authorise us to debit these and any government charges to your account.

- 9.2 If you have a loan or other credit facility (including a credit card account) with us, credit fees and charges that may be payable in respect of your loan or credit facility, along with details of when these fees and charges may be required to be paid, are set out or described in your loan contract or credit contract.
- Additional fees and charges that may be payable in respect of the *payment facilities* available with your *credit or loan account* are set out or described in the *product schedule* along with details of when these fees and charges are required to be paid. You authorise us to debit these and any government charges to your *account*.
- 9.3 The fees and charges that apply to your *transaction account, savings account or term deposit account* may be subject to change - we'll notify you of a change as outlined in clause 68.
- 9.4 The fees and charges that apply to the *payment facilities* available with your *account* (including *payment facilities* available with *credit or loan accounts*) may also be subject to change - we'll notify you of a change as outlined in clause 68.

Part D: Visa cards

10 About your Visa card

- 10.1 A Greater Bank Visa debit card lets you and each *additional cardholder* access money available through your *account* to buy goods or services and take out cash in stores or at an ATM.
- 10.2 A Greater Bank Visa credit card lets you and each *additional cardholder* use credit provided by us to buy goods and services or obtain a cash advance.
- 10.3 After you have opened your *account*, we'll send you and each *additional cardholder* a *Visa card* and *PIN*, if this option is available in the *product schedule* and you selected it.
- 10.4 Before you or an *additional cardholder* can use your/ their *Visa card* you/ they need to activate it in one of the ways we specify when we provide the *Visa card* to you/ them. Only once you or an *additional cardholder* activate your/ their *Visa card* can you/ they choose a new *PIN*.

11 Using a Visa card

- 11.1 You and each *additional cardholder* can use your/ their *Visa card* anywhere *Visa cards* are

accepted in Australia and overseas including in stores, online, over the phone and at ATMs.

- 11.2 When you or an *authorised person* use your/ their *Visa card*, you're telling us to take money available to you from your *account*. It's important you/ the *authorised person* check the amount is correct before completing the transaction. Once the transaction is complete you may not be able to get your money back.
- 11.3 If you or an *additional cardholder* use your/ their *Visa card* to buy goods or services in a foreign currency or take out foreign currency, such as at an ATM:
- (a) Visa will convert the foreign currency amount directly into Australian dollars or into United States dollars and then into Australian dollars. We will then take the Australian dollar amount out of your *account*. The rate at which the foreign currency is converted into United States or Australian dollars is determined by Visa
- (b) a foreign currency conversion fee is also payable to us and we'll take this out of your *account* (see the *product schedule*).
- 11.4 We may impose limits on the amount that you and *additional cardholders* can take out of your *account* using a *Visa card*. Limits may be on a per transaction basis or on a time period basis. For details of current limits see the *product schedule*.
- If you request a higher transaction limit your liability for unauthorised transactions may increase.
- 11.5 Some merchants may impose a surcharge or apply additional limits.
- 11.6 We're not liable if a merchant refuses to accept a *card, PIN* or other access code.
- ### 12 Additional cards
- 12.1 You can ask us to give another person a *Visa card* which they use to access and operate your *account*. If we agree to your request and give that person a *Visa card*, they'll be an *additional cardholder* and will be authorised to access and operate your *account*.
- 12.2 An *additional cardholder* is able to operate your *account* in the following ways only:
- (a) make purchases and transfers and obtain cash advances

- (b) access the money in *your account* (including taking all of that money out)
- (c) make payments to or from *your account*
- (d) initiate direct debits using the *card number* of the additional *Visa card*
- (e) lock or cancel the additional *Visa card*
- (f) select/change the *PIN* of the additional *Visa card*
- (g) report the additional *Visa card* lost or stolen
- (h) request refunds.

12.3 *Additional cardholders* are also able to access information about *your account* (including *your personal information* and balance and statement details).

12.4 You can ask us at any time to cancel any *Visa card* issued to an *additional cardholder* by visiting us in any of *our branches* or calling us.

13 Locking and unlocking a *Visa card*

13.1 You can lock *your* or an *additional cardholder's Visa card* through *online banking* by visiting us in any of *our branches* or calling us on 13 13 86, 24 hours a day, 7 days a week. If your *Visa card* is lost or stolen outside Australia, phone the *Visa Global Customer Assistance Service* on +1 303 967 1090.

An *additional cardholder* may also lock their *card* (but not other *cards*) in any of these ways.

Further information on lost or stolen *cards* can be found at <https://www.visa.com.au/support/consumer/lost-stolen-card.html>.

13.2 While a *Visa card* is locked, any payments made with the *Visa card* will be declined.

13.3 When you want to unlock *your* or an *additional cardholder's Visa card* you can do so through *online banking*, by calling us on 13 13 86 during business hours or visiting us in any of *our branches*.

An *additional cardholder* may also unlock their *card* (but not other *cards*) in any of these ways if the *additional cardholder* was the person who locked the *card*. An *additional cardholder* is unable to unlock their *card* if you locked the *card*.

13.4 You should lock *your* or an *additional cardholder's Visa card* and tell us immediately if you think that there have been unauthorised transactions on *your account* or you or the *additional cardholder* have been fraudulently induced to make a payment.

14 Freezing or cancelling a *Visa card* or delaying or refusing transactions

14.1 We may freeze *your* or an *additional cardholder's Visa card* or delay or refuse *your* or an *authorised person's* request to take money out of *your account* or make a payment or other transaction (including purchases and transfers) using a *Visa card*:

(a) if you don't have sufficient money in *your account* or the amount of the payment or other transaction exceeds any credit or transaction limit

(b) if you or an *authorised person* don't give us all of the information we reasonably require or any of the information you or an *authorised person* give us is incorrect, incomplete or misleading

(c) to protect you or us from fraud or other losses

(d) if *your* or an *additional cardholder's Visa card* is locked

(e) if *your account* is frozen or closed

(f) for security reasons

(g) if we're required to by law, a court order or a direction or instruction of an *authority*

(h) if we reasonably consider that the payment or other transaction may result in a person breaching the laws (including sanctions laws) of Australia or any other country

(i) if we reasonably consider it is necessary in all the circumstances to do so.

14.2 We may cancel *your* or an *additional cardholder's Visa card*:

(a) if you or an *authorised person* don't give us all of the information we reasonably require or any of the information you or an *authorised person* give us is incorrect, incomplete or misleading

(b) to protect you or us from fraud or other losses

(c) if *your account* is closed

(d) for security reasons

(e) if we're required to by law, a court order or a direction or instruction of an *authority*

(f) if we reasonably consider that a payment or other transaction may result in a person breaching the laws (including sanctions laws) of Australia or any other country

- (g) if you or an *additional cardholder* fail to activate *your/ their card* within 60 days of issue
 - (h) by giving you at least 30 days written notice
 - (i) if we reasonably consider it is necessary in all the circumstances to do so.
- 14.3 If we cancel *your Visa card*, any *Visa card* we have issued to an *additional cardholder* may also be cancelled.
- 14.4 We may take money out of *your account* after *your* or an *additional cardholder's Visa card* has been cancelled for transactions that occurred before *your/ their Visa card* was cancelled or for any other amounts you owe us.
- 14.5 We're not liable for any loss you or an *authorised person* suffer (including consequential loss) as a consequence of us freezing or cancelling *your* or an *additional cardholder's Visa card* or delaying or refusing a payment or other transaction (including purchases and transfers), except to the extent that loss is caused by the fraud or wilful misconduct of us, *our* related entities or *our* agents.
- 14.6 If we cancel *your* or an *additional cardholder's Visa card* we may issue you/ them with a new *Visa card*. We will also issue you and/or any *additional cardholder* with a new *Visa card* on the expiry of *your/ their Visa card*.

15 Keeping Visa cards secure

- 15.1 You need to protect *your Visa card* and *PIN*, and ensure each *additional cardholder* protects their *Visa card* and *PIN*, to make sure that only you and *authorised persons* can take money out of *your account* or make payments or other transactions (including purchases and transfers) using *your/ their Visa card*.
- 15.2 If you or an *additional cardholder* don't protect *your/ their Visa card* and *PIN*, you may not get back any money another person takes out of *your account* using *your* or an *additional cardholder's Visa card* (including for purchases or other transactions) without permission.
- 15.3 To protect *your* and each *additional cardholder's Visa card* you/ they need to:
- (a) sign the *card* as soon as it is received, carry it with you whenever you can and keep it in a safe place
 - (b) tell us or Visa as soon as possible if you or an *additional cardholder* lose *your/ their card* or

it's stolen - you should regularly check you still have the *card*

- (c) never lend the *card* to anyone (including family members or friends)
 - (d) make sure you don't leave anything, including the *card*, behind when you complete a transaction or leave the *card* unattended
 - (e) make sure you don't leave the *card* unattended in or at an *ATM*.
- 15.4 To protect *your* and each *additional cardholder's PIN* you/ they need to:
- (a) try to memorise the *PIN*
 - (b) destroy *our* letter or other documentation providing the *PIN*
 - (c) if you or an *additional cardholder* select your own *PIN*, don't use a *PIN* that can be easily guessed or that is associated with you/ them - e.g. a birth date or a recognisable part of *your/ their* or a family member's name
 - (d) don't write the *PIN* (even if it is disguised) on the *Visa card* or on anything that is kept with or near the *Visa card*
 - (e) don't tell or show the *PIN* to anyone (including family members or friends)
 - (f) don't allow anyone to watch you/ them entering the *PIN*.

16 Fees, charges and the credit limit

- 16.1 There are fees and charges payable in connection with *your Visa card*. These are set out or described in the *product schedule*. If you have a loan or other credit facility (including a *credit card* account) with us, there are also fees and charges set out or described in *your* loan contract or credit contract.
- 16.2 You may also be charged an *ATM* withdrawal fee by the *ATM* operator. This fee will be taken out of *your account*. You should carefully read notices displayed at *ATMs* as they may contain information about the fees charged by *ATM* operators.
- 16.3 There is also a credit limit on the amount you can borrow using *your Greater Bank Visa credit card*. We will advise you of the credit limit when we give you the terms and conditions for *your* credit *card* facility.

Part E: Electronic transaction terms and conditions

17 About electronic transactions

- 17.1 You or an authorised person can make and receive payments from and to your account using a BSB and account number or a PayID through a payment facility (such as Osko®) available with your account where the product schedule for your account allows it. The payment facilities available with your account are set out or described in the payment schedule.
- 17.2 The PayID service is an addressing service that allows you to receive payments through the New Payments Platform into your account using a unique identifier instead of the BSB and account number (for example, a mobile phone number, email address or an ABN).
- 17.3 Where the product schedule for your account allows it, you or an authorised person can:
- (a) make payments using the Osko service under the BPAY® Scheme. Osko allows you to make and receive payments in near real-time
 - (b) make payments using the BPAY Payments service under the BPAY Scheme. BPAY Payments lets you pay bills from billers registered with the BPAY Scheme.

Additional terms and conditions that apply to the use of PayID, and the terms and conditions that apply to the use of Osko, are available on our website.

Terms and conditions that apply to the use of BPAY Payments are set out or described in Part J.

18 Creating and closing a PayID

- 18.1 You can register one or more PayIDs for your account or change your existing PayIDs in online banking or by calling us.
- 18.2 Not every unique identifier can be used as a PayID. The full list of types of PayID you can use in connection with your account is available on our website. We may update this list from time to time.
- 18.3 Once a PayID is registered for an account, it may not be used in relation to any other account with us or with another financial institution. To transfer your PayID see clause 19 below.
- 18.4 You can request to freeze or close a PayID through online banking. We'll generally close a

PayID within one business day of receiving your request.

19 Transferring your PayID

- 19.1 You can request to transfer a PayID registered for an account to another account with us, or to an account with another financial institution, through online banking. You can do this at any time unless the PayID is locked or closed. We'll try to transfer a PayID within one business day of receiving your request.

We may require you to use an additional authentication process when you request to transfer a PayID on your account (for example, to verify your identity) before the transfer can be completed.

- 19.2 A transfer of a PayID to another financial institution is started by us but completed by that other institution. Until the transfer is completed, Osko payments to that PayID will be directed to the account it's registered to. If the other financial institution doesn't complete the transfer within 14 days, the transfer will be deemed to be ineffective and your PayID will remain with your original account.
- 19.3 You can also transfer your PayID registered to an account with another financial institution to one of your accounts with us at any time. To do this, you'll need to start the process with that other financial institution.

20 Making payments

- 20.1 You or an authorised person can ask us to make a payment from your account by visiting us in any of our branches or by using a payment facility available with your account. Subject to clauses 20.3 to 20.8, payments can be made on the day you ask or on a future date or dates nominated by you or the authorised person.

- 20.2 It's important you and any authorised person check that all the information provided for a payment is correct. Once you or an authorised person have told us to make a payment, you may not be able to get your money back if you or the authorised person have made a mistake.**

You and any authorised person are solely responsible for providing correct payment details including amount and payee details when making a payment.

Subject to the requirements of any law, we're not liable for any loss you or any authorised

person suffer (including consequential loss) as a consequence of any payment made in accordance with details provided by you or an authorised person, except to the extent that loss is caused by the fraud or wilful misconduct of us, our related entities or our agents.

Where you or an authorised person instruct us to make a payment, including an Osko payment, from your account, using a BSB and account number, we don't verify the account number is valid.

We don't verify that the account number matches the account name for any payments from your account.

- 20.3 We generally act on *your* or an *authorised person's* request to make a payment on the day *you/* they ask or have asked for it to occur.

If *you* or an *authorised person* asked for a payment (other than future dated payments, including recurring payments) to be made on a day that is not a *banking business day*, the payment will generally be made on the following *banking business day*.

If *you* or an *authorised person* ask for a future dated payment, including recurring payments, to be made and the/ a scheduled payment date is not a *banking business day*, the payment will generally be made on the last *banking business day* immediately before the scheduled payment date.

- 20.4 When *you* or an *authorised person* make a payment from *your account* to another person we try to get the money to that person quickly. Generally, it will arrive in the recipient account within a couple of days but may take longer in some instances (for example, if the payment is being made by cheque or there is a processing delay).
- 20.5 If *you* or an *authorised person* make a payment from *your account* to another *account* with *us* it will generally be credited to that *account* immediately. If the payment is to an account with another financial institution, it will be credited to the account with that other financial institution when they process the transaction (which may take up to 3 *banking business days* or sometimes longer).
- 20.6 If a payment is being made into *your account*, *you* may not be credited with the payment for a couple of days after the payment is made or longer in some instances (for example, because

of weekends or public holidays or if the payment is being made by cheque or there is a processing delay). This may mean that where a payment is made close to the end of the month it may not be credited to *your account* until the following month. This may also result in interest not being paid on the payment until the following month because of the conditions set out in the *product schedule*.

- 20.7 We can use discretion as to which payment is made first, if multiple payments are made on the same day.
- 20.8 We may freeze, block, delay or refuse to make a payment or other transaction (including purchases and transfers):
- (a) if *you* don't have sufficient money in *your account* or the amount of the payment or other transaction exceeds any credit or transaction limit
 - (b) if *you* or an *authorised person* don't give *us* all of the information we require to make the payment or other transaction from *your account* or any of the information *you* or an *authorised person* give *us* is incorrect, incomplete or misleading
 - (c) to protect *you* or *us* from fraud or other losses
 - (d) if *your account* is frozen or closed
 - (e) for security reasons
 - (f) if we're required to by law, court order or a direction or instruction of an *authority*
 - (g) if we reasonably consider that the payment or other transaction may result in a person breaching the laws (including sanctions laws) of Australia or any other country
 - (h) if the account *you* or an *authorised person* is trying to pay is closed or can't accept money
 - (i) if the payment or transaction description contains offensive material
 - (j) if we have frozen, suspended or cancelled *your* or the *authorised person's* right to use the *payment facility*
 - (k) if we reasonably consider it is necessary in all the circumstances to do so.
- 20.9 We're not liable for any loss *you* or an *authorised person* suffer (including consequential loss) as a consequence of *us* freezing, blocking, delaying or refusing to make a payment or other transaction (including purchases and transfers),

except to the extent that loss is caused by the fraud or wilful misconduct of us, our related entities or our agents.

21 Transaction limits

21.1 We may impose limits on the amount that you and *authorised persons* can take out of your *account*. Limits may be on a per transaction basis or on a time period basis. For details of current limits see the *product schedule*.

If you request a higher transaction limit your liability for unauthorised transactions may increase.

21.2 Some merchants may impose additional limits.

22 Mistaken payments

22.1 A **mistaken payment** happens when the sender of a payment makes a mistake in sending a payment that results in money being paid into the account of an unintended recipient.

22.2 A **mistaken internet payment** happens when the sender of a payment made through a 'Pay Anyone' internet banking facility (other than a BPAY payment) makes a mistake in sending a payment that involves:

- (a) you or an *authorised person* providing us with an incorrect BSB, *account* number, PayID or ABN
- (b) the intended recipient of the payment giving you or an *authorised person* an incorrect BSB, *account* number, PayID or ABN
- (c) you or an *authorised person* selecting the incorrect recipient from your/ their payee list in *online banking*

that results in funds being paid into the account of an unintended recipient.

A *mistaken internet payment* **does not** include a BPAY payment.

22.3 If you or an *authorised person* **make** a *mistaken payment* (including a *mistaken internet payment*) your money may be paid into the account of an unintended recipient, and it may not be possible to recover the money from the unintended recipient. We won't give you your money back unless the recipient's financial institution first returns it to us.

22.4 If you or an *authorised person* have paid a BPAY *biller* too much - contact that *biller* to seek a refund. If you or the *authorised person* haven't paid enough - simply make another BPAY payment for the amount still owing.

22.5 For all other *mistaken payments*, you or an *authorised person* should let us know immediately by calling us.

22.6 For *mistaken internet payments* only:

- (a) we will attempt to recover the money on your behalf (but ultimately the recipient's financial institution will decide whether to give you back your money) - we won't give you your money back unless the recipient's financial institution first returns it to us
- (b) we will ask the recipient's financial institution to refund the payment depending on when you or an *authorised person* told us about the mistake:

When you or an authorised person tell us

When you or an authorised person tell us	What we'll do
Within 10 business days of making the payment	We'll request that the recipient's financial institution return the money to us.
Between 10 business days and 7 months after making the payment	We'll request that the recipient's financial institution investigate.
More than 7 months after making the payment	We'll report the <i>mistaken internet payment</i> to the recipient's financial institution and ask them to seek the consent of the recipient to return the money to you.

22.7 You may also **receive** a *mistaken payment* (including a *mistaken internet payment*).

22.8 If we're satisfied you have **received** a *mistaken payment* (including a *mistaken internet payment*) into your *account* and we're notified **within 7 months** after the money has been credited to your *account*, you authorise us to withdraw the money from your *account* and return it to the payer. We will also let you know we have done this. If there are insufficient funds available in your *account* to enable us to return the full amount of the payment to the payer, we can require you to pay us an amount equal to the deficit on demand - i.e. as a debt.

22.9 If we're satisfied you have **received** a *mistaken payment* (including a *mistaken internet payment*) into your *account* and we're notified **more than 7 months** after the amount was credited to your *account*, we will seek your consent to return the money to the payer.

23 Problems with payments

23.1 We may freeze, suspend or cancel your or an

authorised person's right to make payments or other transactions (including cash advances, purchases and transfers), use a *payment facility* or register or use a PayID with us, or lock or close a PayID:

- (a) if you or an *authorised person* don't give us all of the information we reasonably require or any of the information you or an *authorised person* give us is incorrect, incomplete or misleading
 - (b) to protect you or us from fraud or other losses
 - (c) if your account is frozen or closed
 - (d) for security reasons
 - (e) if we're required to by law, a court order or a direction or instruction of an *authority*
 - (f) if we reasonably consider that the payment or other transaction may result in a person breaching the laws (including sanctions laws) of Australia or any other country
 - (g) in relation to PayID, if we have evidence that you or the *authorised person* no longer have the right to use a PayID or your or the *authorised person's* PayID has been inactive for 3 years
 - (h) in relation to Osko and BPAY Payments, if our membership to the BPAY Scheme or our subscription to Osko and/or BPAY Payments is suspended, ceases or is cancelled for any reason
 - (i) if we reasonably consider it is necessary in all the circumstances to do so.
- 23.2 You're responsible for cancelling any future dated or recurring transactions that are linked to your account when your or an *authorised person's* right to make payments or other transactions or use a particular *payment facility* or PayID with us is frozen, suspended or cancelled.
- 23.3 If we lock or close your or an *authorised person's* PayID you/ they may not be able to use it to make or receive Osko payments.
- 23.4 Requests to unlock a locked PayID may be made through *online banking*.
- 23.5 We're not liable for any loss you or an *authorised person* suffer (including consequential loss) as a consequence of us freezing, suspending or cancelling your or an *authorised person's* right to make payments or other transactions, use a *payment facility* or register or use a PayID with us, or

locking or closing a PayID, except to the extent that loss is caused by the fraud or wilful misconduct of us, our related entities or our agents.

24 Network, system or equipment malfunctions, outages and delays

- 24.1 Notwithstanding anything else in these terms and conditions, for transactions to which the *ePayments Code* applies, we do not deny a user's (as defined in the *ePayments Code*) right to claim consequential damages resulting from a malfunction of a system or equipment provided by a party to a shared electronic network (such as us or a merchant) that the user is entitled to use pursuant to these terms and conditions (**EFT network equipment**), except where the user should reasonably have been aware that the system or equipment was unavailable or malfunctioning, in which case our liability for any loss arising from the system or equipment unavailability or malfunction is limited to:
- (a) correcting any errors on your account
 - (b) refunding any fees or charges imposed by us on you as a result.
- 24.2 However, we're not liable for any loss you or an *authorised person* suffer (including consequential loss) if *EFT network equipment* does not accept your or the *authorised person's* instructions, including where a card or other device and/ or an access code (including a PIN) entered is not accepted or fails to activate the *EFT network equipment*, or a *payment facility* fails or malfunctions or is otherwise unavailable for any reason.
- 24.3 Subject to your rights under the *ePayments Code* and any warranties implied by law that can't be excluded and unless expressly provided otherwise in these terms and conditions or any other terms and conditions that apply to your account, we're not liable for any loss you, an *authorised person* or any other person suffer (including consequential loss) as a consequence of:
- (a) inaccuracies, errors, omissions, delays or failures by other persons (including other financial institutions), other than our related entities or our agents
 - (b) the loss, modification, damage, malfunction or destruction of hardware or software caused by computer viruses or program bugs or similar causes

- (c) any outage, malfunction, breakdown or interruption in, or failure or unavailability of, any service or payments or communication network, system or equipment
- (d) *online banking* (including *mobile banking* and/or the Greater Bank app), *phone banking* or any other *payment facility* (including any functionality) being unavailable at any time or inaccessible from any location
- (e) the failure of any *payment facility* to perform all or part of any function
- (f) any delay in the processing or completion of any transaction
- (g) failure of your or an authorised person's networks, systems, equipment or devices
- (h) *your* or an *authorised person's* use of a browser and/or other equipment that does not meet the system requirements published on *our* website

except to the extent that loss is caused by the fraud or wilful misconduct of *us*, *our* related entities or *our* agents.

- 24.4 Where *our* liability for breach of a warranty implied by law cannot be excluded, to the maximum extent allowed by law, *our* liability is limited to:
- (a) the resupply of the information or services to *you*, including correcting any errors on *your account*
 - (b) the payment of the cost of having the information or services resupplied to *you*.

Part F: Cheques

25 About cheques

- 25.1 A cheque facility allows *you* to write cheques on *your account* if *you're* over 18 years of age. *The product schedule* will state if *you* can have a cheque facility with *your account*.
- 25.1A We do not issue cheque facilities or chequebooks with *new accounts* or *accounts* that did not already have a cheque facility attached as at 1 March 2021, unless *your account* is a Business Access, Business Optimiser or Business Line of Credit *account*.
- 25.2 When a cheque is drawn on *your account* and presented to *us* for payment:

- (a) it is deemed to be a request by *you* to *us* to withdraw from *your account* the amount of money shown on the cheque
- (b) we may pay that money to the payee, endorsee, holder, bearer, depositor or presenter of the cheque (as applicable) or that person's financial institution.

If there are not enough cleared funds in *your account* when the cheque is presented, we may dishonour or pay the cheque at *our* discretion. This may result in *your account* being overdrawn.

We may also dishonour a cheque drawn on *your account* at *our* discretion if the cheque has not been completed properly, we otherwise consider the cheque to be irregular for any reason, for any of the reasons described in clause 29, or if we consider it is reasonably necessary for *us* to do so to protect either *you* or *us*.

- 25.3 You must immediately notify *us* if *you* have any reason to suspect that a cheque drawn on *your account* has been forged or fraudulently altered in any way or is otherwise unauthorised (in whole or in part).

26 How to complete a cheque

- 26.1 Always be careful when writing or accepting a cheque. Each cheque drawn on *your account* must be completed properly in accordance with any *operating instructions* *you* have given *us* and with due care so as to avoid fraudulent alteration.
- 26.2 You must take all reasonable care and precautions to reduce the opportunity for forgery and fraud (i.e. to prevent unauthorised, stolen, forged, or fraudulently completed or altered cheques drawn on *your account* being presented to *us*). To reduce the risk of a cheque being forged or fraudulently completed or altered *you* must:
- (a) only sign a cheque after it has been completed
 - (b) write the amount on the cheque in words and numbers
 - (c) not leave gaps between words or numbers in a way that would allow a cheque to be altered - fill up empty spaces with a horizontal line
 - (d) not leave any gap between the printed \$ on a cheque and the figure

- (e) add the word 'only' to the amount to be paid written in words if it does not include any cents (e.g. 'One hundred dollars only')
- (f) not use pencil or erasable ink to write a cheque.

26.3 If you write a cheque and the amount stated on the cheque in words is different from the amount stated on the cheque in numbers, we will pay the lesser amount.

- 26.4 We may cancel your cheque facility if we have reason to believe in all the circumstances that it is reasonably necessary to protect either you or us.
- 26.5 If we cancel your cheque facility you must destroy your chequebook when we ask you to. You remain liable for any cheques presented for payment after cancellation that have not been dishonoured.

27 What it means when you write certain things on a cheque

If you:

It means:

Draw two parallel lines from top to bottom on the front of the cheque (i.e. you 'cross' the cheque).

The cheque must be paid into an account with a financial institution (i.e. it can't be cashed).

Write 'not negotiable' between the two parallel lines of the crossed cheque.

That where the cheque is transferred, the person who obtains the cheque has no greater rights than the person who transferred it. For example, if your cheque is stolen and given by a thief to pay an innocent person you will be able to recover the amount paid on the cheque from the innocent person, if the thief can't be found.

Write 'account payee only' on the front of a cheque.

This is a warning to a financial institution with which the cheque is deposited that the cheque should only be paid to the account of person named on the cheque as the payee.

Delete the word 'or bearer' on the front of a cheque or write the words 'to the order of' in front of the name of the payee.

The cheque should only be paid to the named payee or to any other person to whom the named payee, by endorsing the cheque, has ordered it to be paid.

28 Stopping a cheque

- 28.1 After you've written a cheque but before it's been presented for payment, you can request that the cheque be 'stopped'. Stopping a cheque means that the cheque will be cancelled.
- 28.2 To stop a cheque visit us in a branch or call us. We'll provide you with a form to complete and let you know if we require any other documentation or information before we can stop the cheque.
- 28.3 If you ask us to stop a cheque, we can charge you a fee (see the product schedule).

29 Dishonouring a cheque

- 29.1 A cheque may be dishonoured for a range of reasons, including if:
 - (a) there is not enough money available in the drawer's account to cover the amount of the cheque
 - (b) the cheque has not been completed correctly or is incomplete
 - (c) the date on the cheque is after the date on which it is presented
 - (d) it is not clear who the cheque should be paid to
 - (e) the amount of the cheque is not reasonably clear (note, however, that in accordance with clause 26.3, if the amounts are clear but the amount stated on the cheque in words is different from the amount stated on the cheque in numbers, we will pay the lesser amount)
 - (f) it has been stopped
 - (g) it has been materially altered and the alteration has not been authorised
 - (h) it is more than 15 months old
 - (i) the cheque facility or account has been frozen, cancelled or closed
 - (j) we have received notice of your incapacity, bankruptcy or death.
- 29.2 We may at our discretion:
 - (a) pay a cheque drawn on your account, even though it is more than 15 months old or is stale within the meaning of the Cheques Act 1986 (Cth)
 - (b) pay a post-dated cheque drawn on your account at any time, including before the date on the cheque.

- 29.3 If a cheque is dishonoured, we can charge you a fee (see the *product schedule*).
- 29.4 We're not liable for any loss you, an *authorised person* or any other person suffer (including consequential loss) as a consequence of us dishonouring a cheque in good faith in the ordinary course of business or if a stop request is given too late to enable payment of a cheque to be stopped, except to the extent that loss is caused by the fraud or wilful misconduct of us, our related entities or our agents.

30 Keep your chequebook safe

- 30.1 You must not keep your chequebook near any cards or other material that bear your signature.
- 30.2 If you don't protect your chequebook, you may not get back any money another person takes out of your *account* using your chequebook or the forms in your chequebook without your permission.
- 30.3 Tell us immediately if any of your chequebooks or forms in any chequebook are lost or stolen by visiting us in any of our branches or calling us.

Part G: In branches

31 Deposits and withdrawals in branches

- 31.1 You can make deposits and withdrawals into and out of your *account* by visiting us in any of our branches.
- 31.2 You can also make deposits at ANZ branches (in Australia). If you make a deposit at an ANZ branch (in Australia) it will generally take 3 business days or sometimes longer (for example, if the payment is being made by cheque or there is a processing delay) for the money to appear as cleared funds in your *account*. We may cancel this arrangement with ANZ at any time.

32 Depositing cheques

- 32.1 You can deposit cheques into your *account* that are made payable to you, 'cash' or signed over to you if the *product schedule* or other terms and conditions that apply to your *account* allow for cheque deposits.
- 32.2 You can't access the money deposited through a cheque until it has cleared. This generally takes a few days.
- 32.3 If a cheque is returned to us unpaid, it means it has been dishonoured by the financial institution on which the cheque is drawn. If that happens we will reverse the entry made to your *account*

(i.e. deduct the amount we credited from your *account*) and may also return the cheque to you. It is your responsibility to pursue payment from the person who gave you the dishonoured cheque.

- 32.4 **We don't accept foreign cheques** (a *foreign cheque* is a cheque drawn payable in a currency other than Australian dollars). This means you can't deposit *foreign cheques* into your *account*, even if the cheque is made payable to you, 'cash' or signed over to you.

Part H: Transactions on your account

33 You're responsible for your account

- 33.1 You're wholly responsible and liable for:
- all obligations arising under these terms and conditions or any other terms and conditions that apply to your *account* or your or an *authorised person's* access to or use of any *payment facility*
 - subject to your rights under the *ePayments Code*, all transactions on your *account*
 - any amount owing in connection with your *account*
 - any loss suffered (including consequential loss) by any person as a result of the operation of your *account*, except to the extent that loss is caused by the fraud or wilful misconduct of us, our related entities or our agents.
- 33.2 You're responsible and liable for all actions and transactions of an *authorised person* as if you *yourself* had done the thing. This includes that if they do something that you're not allowed to do under these terms and conditions you'll be responsible.
- 33.3 It is also your responsibility to:
- not engage in or effect, or allow an *authorised person* to engage in or effect a transaction on your *account* that may be fraudulent or may result in a person breaching the laws (including sanctions laws) of Australia or any other country
 - ensure at all times that sufficient money is available in your *account* to meet payments and other transactions you or an *authorised person* ask us to make (including future dated or recurring payments on the due date)

- (c) arrange a suitable alternate *payment method* if your *account*, *Visa card*, *PayID* (and/or the *Visa card* or *PayID* of an *authorised person*), a *payment facility* or other means of making a payment or transaction (including purchases and transfers) is frozen, suspended, locked, closed, cancelled or otherwise unavailable or not functioning for any reason
 - (d) comply with your obligations under these terms and conditions and any other terms and conditions that apply to your *account*.
- 33.4 You must compensate us for any reasonable loss or damage we may suffer due to any claim, demand or action of any kind brought against us arising directly or indirectly because you or an *authorised person*:
- (a) didn't comply with any of your obligations under these terms and conditions or other terms and conditions that apply to your *account* or the services, including *payment facilities*, available with or for your *account*
 - (b) acted negligently or fraudulently in connection with your *account* or any *payment facility*.

34 If you suspect someone's been using your account

- 34.1 Let us know straight away if:
- (a) you think someone else has been making payments or other transactions (including purchases or transfers) from your *account*
 - (b) you think someone else has been using your *Visa card* without your *permission*
 - (c) your or an *authorised person's Visa card* is lost or stolen
 - (d) your *chequebook* or any forms in your *chequebook* is/ are lost or stolen
 - (e) an *access code* has become known to someone else.

35 When you're not responsible for unauthorised EFT transactions

- 35.1 An unauthorised transaction is a payment or other transaction which was not authorised by you or an *authorised person*.
- 35.2 You won't be responsible for loss from an unauthorised *EFT transaction* if any of the following apply:

- (a) it is clear you or an *authorised person* didn't contribute to the loss in some way
- (b) the loss arises after you or an *authorised person* notify us that any *Visa card* or other device used to access your *account* has been misused, lost or stolen, or that the security of an access code has been breached
- (c) the loss was caused by the fraudulent or negligent conduct of any of our employees or agents or the employees or agents of any person (including merchants) involved in the electronic funds transfer network
- (d) the loss occurs because a device, an identifier (like an *account number*) or an access code was forged, faulty, expired or cancelled
- (e) the loss results from an *EFT transaction* requiring the use of a device or *access code* that occurred before you or an *authorised person* received the device or access code (including a reissued device or access code)
- (f) the same transaction was incorrectly debited more than once to your *account*
- (g) the loss results from an *EFT transaction* that can be made using an identifier (like an *account number*) but does not require the use of a device or access code
- (h) the loss results from an *EFT transaction* that can be made using a device, or a device and an identifier (like an *account number*), but does not require an *access code*, unless there was unreasonable delay in you or an *authorised person* notifying us of the misuse, loss or theft of the device. Where there is unreasonable delay, you're liable.

36 When you're responsible for unauthorised EFT transactions

- 36.1 You're responsible and liable for all losses arising from payments and other transactions which are:
- (a) carried out or authorised by you or an *authorised person*
 - (b) carried out with the knowledge and consent of you or an *authorised person*.
- 36.2 You're also responsible and liable for all losses arising from unauthorised transactions:
- (a) where you or an *authorised person* caused or contributed to the losses in some way and/or
 - (b) in the following scenarios:

Scenario

What you will be liable for

Where one or more access codes are required to perform a transaction and you or an *authorised person* breached the *access code security requirements* and we can prove on the balance of probability that you or an *authorised person* contributed to the loss from the unauthorised transaction by breaching the *access code security requirements*.

Actual losses that occur before the loss, theft or misuse of a *Visa card* or other device or breach of *access code security requirements* is reported to us.

Where more than one access code is required to perform a transaction and we can prove on the balance of probability that:

- you or an *authorised person* breached the *access code security requirements* for one or more of those required access codes, but not all of the required access codes; and
- the breach of the *access code security requirements* was more than 50% responsible for the losses when assessed together with all contributing causes.

Actual losses that occur before the loss, theft or misuse of a *Visa card* or other device or breach of *access code security requirements* is reported to us.

We can prove on the balance of probability that you or an *authorised person* contributed to the loss from the unauthorised transaction through fraud.

Actual losses that occur before the loss, theft or misuse of a *Visa card* or other device or breach of *access code security requirements* is reported to us.

We can prove on the balance of probability that you or an *authorised person* contributed to the losses by unreasonably delaying notifying us of the misuse, loss or theft of a *Visa card* or other device or that the security of all access codes has been breached.

The actual losses that occur between when you or an *authorised person* become aware or should reasonably have become aware that the *Visa card* or other device was misused, lost or stolen or that the security of all access codes had been breached and when you notify us.

You or an *authorised person* contributed to the losses by leaving a *card* in an ATM as long as the ATM incorporates reasonable safety standards that mitigate the risk of a *card* being left in the ATM (for example, the machine captures *cards* that are not removed after a reasonable time or requires that the *card* be removed from the machine before the transaction can proceed or be completed).

The actual losses that occur between when you or an *authorised person* leave the *card* in the ATM or the *card* is otherwise lost or stolen and when you notify us.

Any other situation where an access code is needed to perform an unauthorised *EFT transaction* and it is unclear whether you or an *authorised person* contributed to the loss (e.g. where none of the above scenarios apply).

The lesser of:

- \$50
- the balance of the *account(s)* (including prearranged credit) which we had agreed with you or an *authorised person* may be accessed using a *Visa card* or other device or access code
- the actual loss at the time you or an *authorised person* notify us that the *Visa card* or other device has been misused, lost or stolen, or that the *access code security requirements* have been breached (excluding that portion of any money lost on any one day that is more than the applicable daily transaction or other periodic transaction limit).

37 Limits on your responsibility

37.1 Even if losses occur in the scenarios set out in the table in clause 36 (other than in the last row of the table) you won't be liable for:

- (a) that portion of any money that has been withdrawn from or charged to your *account* in any one day, which is more than the applicable daily transaction limit
- (b) that portion of any money that has been withdrawn from or charged to your *account* in a period which is more than any other applicable periodic transaction limit
- (c) that portion of any money that has been withdrawn from or charged to your *account*

which exceeds the balance of the *account* (including any pre-arranged credit) when the transaction occurs

- (d) that portion of any money that has been withdrawn from or charged to *your account* which we had not agreed with you or an *authorised person* could be accessed using the particular device or identifier (like an *account* number) or access code (as applicable) used to perform the transaction
- (e) any amount recovered under the Visa scheme rules when you or an *authorised person* use a *Visa card*.

38 When we may reduce your liability

Where you claim that a transaction is unauthorised and we haven't implemented a reasonable daily or other periodic transaction limit, either we or an external dispute resolution body may decide to reduce your liability, by such an amount that is fair and reasonable, having regard to:

- (a) current industry practices regarding reasonable transaction limits
- (b) whether the security and reliability of the means used by us to verify that the relevant transaction was authorised by you or an *authorised person* adequately protected you from losses in the absence of reasonable daily or other periodic transaction limits protection
- (c) if the unauthorised transaction involved accessing a credit facility (including drawing on repayments made to a *credit or loan account*) that is accessible using a *Visa card* or other device or access code, whether, at the time of making the credit facility accessible by the use of the *Visa card* or other device or access code, we have taken reasonable steps to warn you or the relevant *authorised person* of the risk of the *Visa card* or other device or access code being used to make unauthorised transactions on the credit facility.

39 What you or an authorised person must do to reduce the risk of unauthorised transactions

- 39.1 Your and any *authorised person's* access methods are confidential and we will rely on it as constituting your or an *authorised person's* electronic signature. An access method allows anybody using it to access and transact on your

account and we're authorised by you to permit such access and transactions to be conducted. Because of this you and any *authorised person* must take special care to protect all access methods.

- 39.2 There is a risk that another person will perform an unauthorised transaction on *your account* (including taking all of the money out of the *account*) if they gain access to any of your or an *authorised person's* access methods.
- 39.3 To reduce the risk of unauthorised transactions occurring on the account you and each *authorised person* must:
 - (a) not disclose an access method or give access to a payment facility to another person (including a family member or friend)
 - (b) destroy any documentation we issue to you or the *authorised person* containing an access method
 - (c) not keep a record of an access code near or stored with any item that allows you or an *authorised person* to access your account
 - (d) not select an access code that would be easy for someone to guess - such as your date of birth, telephone number, name or part of your name
 - (e) log out of *online banking* when not using it
 - (f) tell us straight away by calling us if:
 - (i) you or an *authorised person* suspect an access code has become known to someone else
 - (ii) someone else has been making payments from your account.

Part I: Online banking and phone banking

40 What is online banking?

- 40.1 *Online banking* is a platform we provide that allows you or an *authorised person* to receive information from us and to transmit instructions to us electronically in order to access and use your account. The things that can be done using *online banking* may change from time to time and depend on what type of *account* you have with us. Generally, *online banking* can be used to:
- (a) make payments (using electronic methods that are available with your account)

- (b) view the transaction history and balance of your account
 - (c) activate, stop or cancel Visa cards.
- 40.2 Online banking can be accessed using a computer or similar device. You can also access online banking through the Greater Bank app on your mobile phone or other device (although some features available through a computer browser may not be available through a mobile device and/or the Greater Bank app and vice versa).

41 What is mobile banking?

- 41.1 Mobile banking is a form of online banking that enables you and any authorised person to receive information from us and to transmit instructions to us electronically, in relation to your account, using a mobile device.

42 Getting started with online banking

- 42.1 To use online banking, you'll need to be registered for online banking. If you open an account with us online, you will be registered for online banking automatically when you open your account. If you're not automatically registered, you can apply to be registered by visiting us in any of our branches or calling us. When we register you, we'll give you a username and password to access online banking.
- 42.2 We may refuse to register you or any authorised person for online banking. We'll act reasonably when exercising these rights and only do so for legitimate business purposes and in accordance with the law.
- 42.3 You agree that by registering for online banking and agreeing to these terms and conditions, you authorise us to act on instructions provided through online banking (including mobile banking and the Greater Bank app) that are made using your username and password, touch ID or other access code.
- 42.4 If an account requires two or more account holders to authorise transactions on the account, those account holders can process transactions through online banking only if they are all registered for online banking and individually log on to authorise the transaction.
- 42.5 Once you're registered for online banking you can log into the Greater Bank app. You'll then have the option of setting up a touch ID or access code to access the Greater Bank app (so you won't need to use your username and

password to access online banking through the Greater Bank app – although we may ask for it before we allow you to do some things through the Greater Bank app).

43 Keeping online banking secure

- 43.1 You should make sure that no one knows your online banking username and password or Greater Bank app access code including any joint account holder. This is because we will assume anyone with access to your online banking (including through mobile banking or the Greater Bank app) has your authority to use any of the products or services available through online banking.
- 43.2 If your mobile or other device used to access online banking is lost or stolen, or you know or suspect your online banking has been compromised, you must let us know immediately by calling us on 13 13 86 during business hours or email fraud@greater.com.au 24 hours, 7 days a week.
- 43.3 The Greater Bank app and website belong to us, and you may not download, copy, access, or otherwise use those platforms without our express prior written permission.

44 What is phone banking?

- 44.1 Phone banking allows you or an authorised person to access and use your account by calling us. The things that can be done using phone banking may change from time to time but generally phone banking can be used to:
- (a) check your account balance
 - (b) check the last 10 transactions on your account
 - (c) transfer money between accounts you have with us
 - (d) make BPAY payments (if BPAY Payments is available with your account).
- 44.2 We do not offer phone banking on new accounts or accounts that were not already registered for phone banking as at 1 September 2021.

45 Getting started with phone banking

- 45.1 To use phone banking you'll need to be registered for phone banking. You can apply to be registered by calling us or visiting us in any of our branches. When we register you, we'll give you an access code to be used together with your account number to access phone banking.

- 45.2 You agree that by registering for *phone banking* and agreeing to these terms and conditions you authorise us to act on instructions provided through *phone banking* that are made using your access code and account number.
- 45.3 We may refuse to register you for *phone banking*. We'll act reasonably when exercising these rights and only do so for legitimate business purposes and in accordance with the law.
- 45.4 *Phone banking* is not available on accounts that require two or more account holders to authorise transactions on the account.

46 General terms and conditions applicable to online banking and phone banking

- 46.1 The use of *online banking* or *phone banking* may mean that you or another person may incur charges from internet and/or phone service providers. We're not responsible for any such charges you or another person incur as a result of your or an authorised person's use of *online banking* or *phone banking*.
- 46.2 If you use the Greater Bank app, you must make sure you're using the most recent version.
- 46.3 *Online banking* (including *mobile banking* and the Greater Bank app) must only be used with certain browsers and/or other equipment (**system requirements**). We'll publish these system requirements on our website and update them regularly.
- 46.4 If an authorised person has access through *online banking* or *phone banking*, you can request to cancel that access by visiting us in any of our branches, calling us or writing to us.
- 46.5 We may revoke your access to *online banking* and/or *phone banking* at any time. We'll act reasonably when exercising these rights and only do so for legitimate business purposes and in accordance with the law.
- We will provide you with notice as soon as possible after revoking your access. If we revoke your access to *online banking* or *phone banking* it may be on a temporary or permanent basis.
- 46.6 Transactions may not appear instantly in *online banking* and *phone banking*. This means that the balance shown through *online banking* or *phone banking* at any given time may not be an accurate reflection of the money available in your account.
- 46.7 *Online banking* will be unavailable when we're conducting necessary maintenance or updating

online banking. We'll try and schedule these outages at times that won't inconvenience you. However, this may not be possible in the event of a network, system or equipment malfunction. The availability of *online banking* (including *mobile banking* and the Greater Bank app) and *phone banking* are dependent on the reliability and availability of third-party service providers (including providers of payments and communication networks, systems and equipment).

- 46.8 Subject to your rights under the ePayments Code and the requirements of any law, we're not liable for any loss you or an authorised person suffer (including consequential loss) as a consequence of using *online banking* (including *mobile banking* or the Greater Bank app) or *phone banking*, except to the extent that loss is caused by the fraud or wilful misconduct of us, our related entities or our agents.

Part J applies when you or an authorised person make a BPAY Payment through the BPAY Payments service under the BPAY Scheme.

Part J: BPAY Payments

47 BPAY Payments terms and conditions

- 47.1 The terms and conditions in this Part J apply if you or an authorised person ask us to make a BPAY payment on your or their behalf through the BPAY Scheme. The other terms and conditions that apply to your account (e.g. terms and conditions that apply to payment facilities generally) also apply to your or an authorised person's use of BPAY Payments. Additional terms and conditions that apply to the BPAY Scheme are also available on our website.
- 47.2 In relation to your or an authorised person's use of BPAY Payments, if there is any inconsistency between the terms and conditions in this Part J and any other terms and conditions in this document, then the terms and conditions in this Part J will prevail to the extent of the inconsistency.
- 47.3 Except where expressly stated otherwise, the terms and conditions in this Part J do not apply to the Osko service under the BPAY Scheme.

48 BPAY Scheme

- 48.1 We're a member of the BPAY Scheme and subscribe to BPAY Payments, which is an electronic payments scheme through which

you or an *authorised person* can ask us to make payments (i.e. BPAY payments) on *your* or the *authorised person's* behalf to organisations (i.e. BPAY billers) registered with the BPAY Scheme. We'll tell you if we're no longer a member of the BPAY Scheme or our subscription to BPAY Payments is cancelled.

48.2 We may also be a *biller* under the BPAY Payments service.

49 Intentionally left blank

50 BPAY Payments

50.1 If the *product schedule* for your account allows it, you or an *authorised person* may use BPAY Payments through *online banking* or *phone banking* with your account to pay bills from *billers* registered with the BPAY Scheme. You or the *authorised person* may select to pay bills on either the current date or a scheduled future date.

50.2 When we make a BPAY payment on *your* or an *authorised person's* behalf we're not acting as *your/* their agent or the agent of the *biller* to whom that payment is directed.

50.3 When you or an *authorised person* ask us to make a BPAY payment from *your account*, you/ they must tell us:

- the amount you/ they wish to pay
- the *biller* code of the *biller* you/they wish to pay (this can be found on the bill)
- your/their customer reference number (this can also be found on the bill).

We may require you or the *authorised person* to use an additional authentication process when you/ they request to make a BPAY payment from *your account* (for example, to verify your/ their identity) before the payment can be completed.

50.4 When the payment is approved, we'll debit your account with the amount you or the *authorised person* specifies.

50.5 If you or an *authorised person* use your/ their Greater Bank Visa credit card to make a BPAY payment, we treat that payment as a credit card purchase transaction, unless the *biller* doesn't accept credit card payments in which case it will be treated as a cash advance transaction.

50.6 We may impose limits on the amount of BPAY payments that you or an *authorised person* can make. Limits may be on a per transaction basis or on a time period basis. For details of current

limits see the *product schedule*. Some *billers* may impose additional limits.

If you request a higher transaction limit your liability for unauthorised transactions may increase.

50.7 If you don't have sufficient money in your account at the time you or an *authorised person* tell us to make a BPAY payment or the amount of the payment exceeds any credit or transaction limit, we may:

- refuse to make the payment
- use our discretion to honour the payment.

In either case, a fee is payable to us and we'll take this out of your account (see the *product schedule*).

50.8 We can't accept a request to stop or alter a BPAY payment that is not a scheduled future payment after you or an *authorised person* have instructed us to make it. You or an *authorised person* may stop or alter a scheduled future BPAY payment by requesting us to stop or alter the payment before midnight on the *banking business day* immediately before the day the payment is to be made.

51 BPAY payments cut-off times

51.1 *Billers* participating in the BPAY Scheme have agreed to treat BPAY payments you or an *authorised person* make to a *biller* as received by the *biller* as follows:

If the BPAY payment is made:	Treated as received by <i>biller</i>
Before 5:00pm Australian Eastern Standard Time on a <i>banking business day</i>	On the date that you or an <i>authorised person</i> make the BPAY payment
After 5:00pm Australian Eastern Standard Time on a <i>banking business day</i>	On the next <i>banking business day</i>
On a day that is not a <i>banking business day</i> (except for scheduled future dated BPAY payments)	On the next <i>banking business day</i>
For scheduled future dated BPAY payments scheduled to be paid on a day that is not a <i>banking business day</i>	On the <i>banking business day</i> immediately before the scheduled payment date

51.2 A delay may occur in the processing of a BPAY payment where:

- (a) there is a public or bank holiday on the day

after *you* or an *authorised person* tell us to make the BPAY payment

- (b) we received *your* or an *authorised person's* instructions after the cut-off times referred to above
- (c) another participant in the BPAY Scheme doesn't comply with its obligations.

Such a delay should not generally continue for more than one *banking business day*, but could continue for longer.

- 51.3 If we're advised that a BPAY payment can't be processed by a *biller*, we'll advise *you* of this, credit *your account* with the amount of the BPAY payment, and if *you* ask us to do so, take all reasonable steps to assist *you* in making the BPAY payment as quickly as possible.

52 Mistaken, unauthorised and fraudulent BPAY payments

- 52.1 We will attempt to make sure that BPAY payments are processed promptly by the participants in the BPAY Scheme, including those *billers* to whom *you* or an *authorised person's* BPAY payments are to be made. *You* or the *authorised person* must promptly tell us if:

- (a) *you/ they* become aware of any delays or mistakes in processing *your/ their* BPAY payments
- (b) if *you/ they* didn't authorise a BPAY payment that has been made from *your account*
- (c) if *you/ they* think that *you/ they* have been fraudulently induced to make a BPAY payment.

- 52.2 We will attempt to rectify any such matters in relation to *your* or the *authorised person's* BPAY payments in the way described in this clause 52. However, except as set out in this clause 52, we will not be liable for any loss or damage *you* or an *authorised person* suffer as a result of using the BPAY Scheme.

- 52.3 The longer the delay between the date of *your* or an *authorised person's* BPAY payment and when *you/ they* tell us of the problem, the more difficult it may be for us to help rectify the problem.

- 52.4 If *you* or an *authorised person* have paid a BPAY *biller* too much - contact that *biller* to seek a refund. If *you* or an *authorised person* haven't paid enough - simply make another BPAY payment for the amount still owing.

- 52.5 If *you* or an *authorised person* are having trouble

obtaining a refund from the *biller*, please contact us immediately so we may determine how we may be able to assist.

Mistaken BPAY payments

It's important you or an authorised person check that all the information provided for a BPAY payment is correct. Once you or an authorised person have told us to make a BPAY payment you may not be able to get your money back if you or the authorised person have made a mistake.

- 52.6 We will not be responsible if *you* or an *authorised person* make any error when providing information to identify the *biller*, the amount or any other details regarding a BPAY payment.

You must tell us promptly if *you* or an *authorised person* become aware a BPAY payment is made to a person or for an amount which is not in accordance with *your* or an *authorised person's* instructions. If *your account* was debited for the amount of that *mistaken payment*, we will credit that amount back to *your account*. However, if *you* or an *authorised person* were responsible for a mistake resulting in that BPAY payment and we can't recover the amount of the payment from the person who received it within 20 *banking business days* of us attempting to do so, *you* will be liable to pay us that amount.

Unauthorised BPAY payments

- 52.7 *You* must tell us promptly if *you* or an *authorised person* become aware that a BPAY payment that *you/ they* didn't authorise has been made from *your account*.
- 52.8 If the *ePayments Code* applies to an unauthorised BPAY payment, liability for that transaction will be determined in accordance with Part H of these terms and conditions and the provisions of that code. Otherwise, liability for an unauthorised BPAY payment will be determined in accordance with this Part J.
- 52.9 *You* won't be liable for loss of funds if a BPAY payment is made in accordance with a payment direction which appeared to be from *you* or an *authorised person* or on *your/ their* behalf but which *you/ they* did not authorise. If *your account* was debited for the amount of that unauthorised payment, we will credit that amount back to *your account*. However, *you* must pay us the amount of that unauthorised payment if:
- we can't recover that amount within 20 *banking business days* of us attempting to do

so from the person who received it and

- the payment was made as a result of a payment direction that did not comply with our prescribed security procedures or other requirements for such payment directions.

If we are able to recover part of the amount of that BPAY payment from the person who received it, you must only pay us the amount of that payment that was not able to be recovered.

52.10 If you or an *authorised person* tell us that a BPAY payment made from *your account* was unauthorised, you/ they must give us your/ their written consent addressed to the person who received that payment, consenting to us obtaining from that person:

- (a) information about your/ their *account* with that person or the payment
- (b) your/ their customer reference number
- (c) such other information we reasonably require to investigate the payment.

We're not obliged to investigate any BPAY payment if you or an *authorised person* don't give us this consent. If you or an *authorised person* do not give us this consent, the person who received the payment may not be permitted under law to disclose to us information we need to investigate and rectify the payment.

Fraud

52.11 If you or an *authorised person* make a BPAY payment because of the fraud of a person involved in the BPAY Scheme (e.g. a *biller*), then that person should refund the amount of the fraud-induced payment.

However, if that person does not refund you the whole amount of the fraud-induced payment, you must bear the loss unless some other person involved in the BPAY Scheme knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund you the amount of the fraud-induced payment that is not refunded to you by the person that induced the fraud.

If there is more than one reason for a problem with a BPAY payment

52.12 If an unauthorised BPAY payment mentioned in clause 52.7 is also affected by a mistake mentioned in clause 52.6 or fraud as described in clause 52.11, we will apply the principles set out in clauses 52.7 to 52.10. If a BPAY payment that is

not an unauthorised BPAY payment is affected by both a mistake mentioned in clause 52.6 and fraud as described in clause 52.11, we will apply the principles set out in clause 52.11.

Consequential loss

- 52.13 We're not liable for any consequential loss or damage you or an *authorised person* suffer as a result of using the BPAY Scheme, including BPAY Payments, other than due to any loss or damage you or an *authorised person* suffer due to our negligence or in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services and which may not be excluded, restricted or modified at all or only to a limited extent.
- 52.14 Clause 52.13 doesn't apply to the extent that it's inconsistent with or contrary to any applicable law or code of practice to which we've subscribed. If those laws or that code would make clause 52.13 illegal, void or unenforceable or impose an obligation or liability prohibited by those laws or that code, clause 52.13 is to be read as if it were varied to the extent necessary to comply with those laws or that code or, if necessary, omitted.
- 52.15 You indemnify us against any loss or damage we may suffer due to any claim, demand or action of any kind brought against us arising directly or indirectly because you or an *authorised person*:
- (a) did not observe any of your/ their obligations under these terms and conditions or any other terms and conditions that apply to your or the *authorised person's* use of the BPAY Scheme
 - (b) acted negligently or fraudulently in connection with the use of the BPAY Scheme.
- 52.16 You and each *authorised person* acknowledge that the receipt by a *biller* of a mistaken or erroneous BPAY payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt you or the *authorised person* owe to the *biller*.
- 52.17 No refunds will be provided through the BPAY Scheme where you or an *authorised person* have a dispute with the *biller* about any goods or services you/ they may have agreed to acquire from the *biller*. Any dispute must be resolved with the *biller*.
- 52.18 Except where a BPAY payment is a mistaken BPAY payment mentioned in clause 52.6, an unauthorised BPAY payment mentioned in clause 52.7 or a fraudulent BPAY payment mentioned

in clause 52.11, BPAY payments are irrevocable. Even where your BPAY payment has been made using a credit facility, no chargeback rights will be available under BPAY Scheme rules.

52.19 You should check your account records carefully and promptly report to us as soon as you become aware of them any BPAY payments that you or an authorised person think are errors or BPAY payments that you/ they did not authorise or you/ they think were made by someone else without your/ their permission.

53 Privacy

53.1 If you or an authorised person use the BPAY Scheme (including BPAY Payments service or the Osko service), you/ they agree to our disclosing to billers/ payees nominated by you/ them and, if necessary, the entity operating the BPAY Scheme (BPAY Pty Ltd) and any agent appointed by it from time to time, that provides the electronic systems needed to implement the BPAY Scheme:

- (a) such of your or the authorised person's personal information (for example your/ their name, email address and the fact that you're our customer) as is necessary to facilitate your/ their registration for or use of the BPAY Scheme
- (b) such of your or the authorised person's transactional information as is necessary to process your/ their BPAY payments and Osko payments
- (c) information concerning any mistaken, unauthorised or fraudulent BPAY payments and/or Osko payments in connection with your account that you or an authorised person tell us about.

Your and each authorised person's BPAY payment and Osko payment information will be disclosed by BPAY Pty Ltd, through its agent, to billers'/ payees' financial institutions.

53.2 You must notify us if any of your personal information changes and you consent to us disclosing your updated personal information to all other participants in the BPAY Scheme as necessary.

53.3 You can request access to your information held by us or BPAY Pty Ltd (BPAY Pty Ltd's contact details are provided in Part L (Words with special meanings)) or by referring to the procedures set out in the privacy policy of the relevant entity.

53.4 If your or the authorised person's personal information detailed above is not disclosed to

BPAY Pty Ltd or its agent, it will not be possible to process your/ their requested BPAY payments or Osko payments.

Part K applies to all accounts with us.

Part K: General matters

54 You're responsible for authorised persons

- 54.1 You're responsible and liable for all actions and transactions that an authorised person does or makes in connection with your account. This includes if they do something that you're not allowed to do under these terms and conditions, you'll be responsible.
- 54.2 You're responsible for any loss suffered (including consequential loss) by any person as a result of the operation of your account by an authorised person, except to the extent that loss is caused by the fraud or wilful misconduct of us, our related entities or our agents.
- 54.3 These terms and conditions other than this clause 54 and clauses 12.1 and 55 apply to an authorised person in the same way that they apply to you. You must ensure that any authorised person has read these terms and conditions and complies with them as if they were you.

55 Authorised persons

You may ask us by notice in writing to authorise one or more other people to operate your account. A person who is authorised to operate your account is called an authorised person. This includes (but is not limited to):

- (a) a person who is authorised to access and operate your account - an authorised signatory
 - (b) a person who is authorised to access and operate your account with card access - an additional cardholder
 - (c) a person who is authorised to use online banking (including mobile banking or the Greater Bank app) or phone banking to access and/or operate your account and is registered with us as an authorised user of online banking or phone banking
 - (d) any other person who is authorised to do things in connection with your account.
- 55.2 You must provide instructions to us in relation to how many and/or which account holders and/or

authorised persons must authorise a transaction in order to operate *your account*. For example, you must specify how many *authorised persons* must authorise a transaction in order to operate *your account*. Your instructions in this regard are called *operating instructions*. *Operating instructions* apply to all *account holders* and *authorised persons*.

If you're a company, firm, body corporate, incorporated association, partnership, other type of association, *authority* or government body, we may require the appointment of *authorised persons* and directions as to *operating instructions* to be under common seal or authenticated by a statutory declaration and/or minutes of a resolution of your directors or governing body.

55.3 We don't have to agree to your request to add an *authorised person* to your account or accept your *operating instructions*, but if we agree we may impose conditions. If we don't agree to your request or accept your *operating instructions*, we will notify you.

55.4 You can arrange to have the *authority* of an *authorised person* suspended or revoked, or your *operating instructions* changed, at any time. If you want to do this, you must notify us of the change and complete a form that is available in any of our branches or by calling us.

If you're a company, firm, body corporate, incorporated association, partnership, other type of association, *authority* or government body, we may require the suspension or revocation of the authorisation or change of *operating instructions* to be under common seal or authenticated by a statutory declaration and/or minutes of a resolution of your directors or governing body.

Depending on the circumstances, we may act on your notification before we receive the completed form or we may inform you that your notification won't be effective until we have received the completed form and/or confirmation you have destroyed any *card* and/or chequebook issued to any *authorised person* whose *authority* is being suspended, revoked or changed.

55.5 When an *authorised person* instructs us to carry out an action, or makes a transaction in accordance with your *operating instructions*, we will generally act on their instructions unless they instruct us to:

- (a) change the type of *account*
- (b) close the *account*
- (c) change your contact details, including address details
- (d) change the name of the *account*
- (e) change the *authority* on the *account*.

Only you can ask us to do these things.

55.6 *Authorised persons* may be able to access information about your *account* (including your personal information and balance and statement details).

56 Inquiries

We're not required to make any inquiries in relation to any instructions received from an *authorised person* in relation to the operation of your *account*. Subject to these terms and conditions and any other terms and conditions that apply to your *account*, you're wholly responsible and liable for any loss or damage you or a third party suffer as a result of us acting upon those instructions.

57 Joint accounts

It is important that you read this section carefully so you fully understand the responsibilities of having a joint account.

57.1 If the option is available with the *account*, you can choose to open an *account* jointly with another person or group of people. The credit balance of a joint *account* is held jointly by all *account holders*.

57.2 The joint *account* holders must sign an *authority* telling us how the *account* can be operated. Joint *accounts* can either be operated:

- jointly - i.e. in a way that requires two or more *account holders* to act together to authorise operations on the *account*
- severally - i.e. in a way that allows each *account holder* to operate the *account* individually without the other *account holders*.

Unless all joint *account holders* inform us in writing that a joint *account* can only be operated jointly, it will operate severally. This means that each *account holder* has the right to operate the *account*, including to withdraw all available funds, without the other *account holders*.

57.3 The joint *account holders* can change this

arrangement at any time by all signing a new account *authority* or amending the existing one. Also, regardless of any authorities to operate provided to us, any joint *account holder* can require us by notice in writing to operate the account only on the *authority* of all *account holders* (for example, if there is a dispute between the joint *account holders*). We may also require all joint *account holders* to give us instructions in relation to a particular action or transaction at our discretion (for example, adding or removing an *account holder*).

- 57.4 If you ask for an *account* to be operated jointly, some *account* features may not be available.
- 57.5 All *account holders* are individually and jointly liable for:
- (a) all obligations arising under these terms and conditions or any other terms and conditions that apply to the *account* or an *account holder's* or an *authorised person's* access to or use of any *payment facility*
 - (b) subject to your rights under the ePayments Code, all transactions on the *account*
 - (c) any amount owing in connection with the *account*
 - (d) any loss suffered (including consequential loss) by any person as a result of the operation of the *account*, except to the extent that loss is caused by the fraud or wilful misconduct of us, our related entities or our agents.

This means, for example, if one or more joint *account holders* overdraws the *account*, each joint *account holder* may be liable for payment of all or any part of the amount overdrawn.

- 57.6 If an *account* (other than a *credit or loan account*) is held jointly, statements and notices will be addressed to you jointly. If your *account* is a *credit or loan account* all joint *account holders* will need to complete a joint nomination form for this to occur.
- 57.7 If an *account* is held jointly:
- (a) all *account holders* can have access to information about the *account* (including personal information and balance and statement details) without the consent of the other *account holders*
 - (b) if an *account holder* dies, the *account* will be treated as the *account* of the surviving *account holder(s)*.
- 57.8 If there is a dispute between *account holders* it

may be appropriate for us to restrict access to the *account*.

A restriction can be put in place if:

- (a) we receive written notice signed by an *account holder* telling us of a dispute between any or all of the *account holders*
- (b) we receive a court order or a direction or instruction of an *authority* to restrict the *account*.

Once we receive either of the above documents, we may restrict access to the *account* in any way we consider appropriate and reasonable.

The restriction will be removed once we have received written notice signed by all *account holders* that the dispute has been resolved or a court order or a direction or instruction of an *authority* asking us to remove the restriction.

A restriction can also be put in place at our discretion if we reasonably consider it is necessary in all the circumstances. We may also remove a restriction at our discretion, except where we're prevented by a court order or a direction or instruction of an *authority* from doing so.

58 Eligibility for an account

- 58.1 To open and/or maintain an *account* with us, you must satisfy any eligibility criteria we set out in the *product schedule* or any other terms and conditions that apply to your *account*.

This will include providing information to verify your identity such as:

- (a) for an individual - name, residential address and date of birth
- (b) for an entity (including a company, firm, body corporate, incorporated association, partnership, other type of association, *authority* or government body) - details of the entity and its directors, shareholders, other controllers and beneficial owners (including originals or certified copies of constituent documents, statutory declarations and/or minutes of resolutions of your directors or governing body)
- (c) where you're a trustee - details of the trust, trustee and beneficiaries (including originals or certified copies of trust deeds, statutory declarations and/or minutes of resolutions of the trustee).

We may also require other information such as information concerning *your* residency, business and/or other activities, legal and operational structure, source of wealth, source of funds/ money, tax information and reason for opening and/or maintaining an *account* with us.

58.2 We may also require *you* or an *authorised person* to verify *your/* their identity or personal or other information or *your/* their source of wealth and/ or funds/money before we process a payment or other transaction, including a deposit to or withdrawal, transfer or other payment from *your account*.

58.3 We may refuse to open an *account* at our absolute discretion and are not obliged to provide reasons if we do refuse to open an *account*. Examples of when we may refuse to open an *account* include if we reasonably consider it is necessary for us to do so to comply with a law (including a sanctions law) in Australia or overseas, or *you* or an *authorised person*:

- (a) don't meet the eligibility criteria for the *account*
- (b) don't give us all of the information (including documents) we have reasonably requested, including to verify *your* or an *authorised person's* identity or the source of *your* wealth or funds/ money or concerning *your* residency, structure, beneficial owners and/or controllers, business activities, tax information or reason for opening and/or maintaining an *account* with us or any of the information *you* or an *authorised person* give us is incorrect, incomplete or misleading
- (c) aren't able to be identified, or the information *you* or an *authorised person* provide to us isn't able to be verified, by us as required under the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006* (Cth)
- (d) are a politically exposed person
- (e) are subject to a sanction imposed under the laws of Australia or any other country
- (f) are reasonably considered by us to be or have been engaged in or be or have been associated with unlawful, threatening, abusive or anti-social behaviour or activity that may put us, our staff or our business or our reputation at risk.

59 **We can freeze your account, freeze or cancel a payment facility or delay or refuse a transaction**

59.1 We may freeze, block or suspend *your account*

or freeze, block, suspend or cancel *your* or an *authorised person's* access to or use of a *payment facility* or delay or refuse to make a payment or other transaction (including purchases or transfers):

- (a) if any of the circumstances described in clause 58.3 have occurred or apply in relation to *you* or an *authorised person*
- (b) if *you* don't have sufficient money in *your account* or the amount of the payment or other transaction exceeds any credit or transaction limit
- (c) if *you* or an *authorised person* don't give us all of the information we reasonably require or any of the information *you* or an *authorised person* give us is incorrect, incomplete or misleading
- (d) to protect *you* or us from fraud or other losses
- (e) if *your account* is closed
- (f) for security reasons
- (g) if we're required to by law, a court order or a direction or instructions of an *authority*
- (h) if we reasonably consider that *your* or an *authorised person's* access to or use of *your account* or a *payment facility*, or a payment or other transaction is a breach of, or may result in a person breaching, the laws (including sanctions laws) of Australia or any other country
- (i) if we reasonably consider it is necessary to do so to comply with an applicable law or regulatory requirement
- (j) if we know or reasonably suspect that an *access code* is no longer confidential and/or secure
- (k) if we reasonably consider that *you* or an *authorised person* are or have engaged in or are or have been associated with unlawful, threatening, abusive or anti-social behaviour or activity that may put us, our staff or our business or our reputation at risk
- (l) if we reasonably consider it is necessary in all the circumstances to do so.

59.2 While *your account* is frozen, blocked or suspended, *you* won't be able to take money out (although scheduled payments to *credit* or *loan accounts* you have with us may continue). You may also be prevented from putting money in. If *your account* is closed, *you* won't be able to able

to put money in or take money out.

- 59.3 If a *payment facility* is frozen, blocked, suspended or cancelled, we may take money out of *your account* after the *payment facility* has been frozen, blocked, suspended or cancelled for transactions that occurred before the *payment facility* was frozen, blocked, suspended or cancelled or for any other amounts you owe us.
- 59.4 We're not liable for any loss you or an *authorised person* suffer (including consequential loss) as a consequence of us freezing, blocking or suspending *your account* or freezing, blocking, suspending or cancelling *your* or an *authorised person's* access to or use of a *payment facility* or delaying or refusing to make a payment or other transaction (including purchases or transfers), except to the extent that loss is caused by the fraud or wilful misconduct of us, *our* related entities or *our* agents.

60 We can close your account

- 60.1 We may close *your account* at any time at *our* absolute discretion after giving you reasonable notice. We will normally give you 30 days' notice.
- 60.2 Without limiting clause 60.1, we may close *your account*:
- (a) if any of the circumstances described in clause 58.3 have occurred or apply in relation to you or an *authorised person*
 - (b) if you or an *authorised person* don't give us all of the information we reasonably require or any of the information you or an *authorised person* give us is incorrect, incomplete or misleading
 - (c) to protect you or us from fraud or other losses
 - (d) for security reasons
 - (e) if we're required to by law, a court order or a direction or instruction of an *authority*
 - (f) if we reasonably consider it is necessary to do so to comply with an applicable law or regulatory requirement
 - (g) if we're not able to verify the identity of you or an *authorised person* or *your* or their source of wealth and/or funds/money
 - (h) if you no longer meet the eligibility requirements for the account set out in the *product schedule* or other terms and conditions that apply to *your account*
 - (i) if the balance of the *account* falls below any

minimum required balance

- (j) if you don't pay an amount you owe to us when it's due
 - (k) if we reasonably consider that *your* or an *authorised person's* access to or use of *your account* or a *payment facility*, or a payment or other transaction, is a breach of, or may result in a person breaching, the laws (including sanctions laws) of Australia or any other country
 - (l) if we reasonably consider that you or an *authorised person* have done any of the following:
 - (i) breached the law (including sanction laws) of Australia or any other country
 - (ii) given us incorrect, incomplete or misleading information in connection with *your account*
 - (iii) accessed or used *your account* for a purpose which we haven't approved
 - (iv) breached the terms and conditions pertaining to *your account* or *payment facilities*
 - (m) if we reasonably consider that you or an *authorised person* are or have engaged in or are or have been associated with unlawful, threatening, abusive or anti-social behaviour or activity that may put us, *our* staff or *our* business or *our* reputation at risk
 - (n) if we reasonably consider it is necessary in all the circumstances to do so.
- 60.3 In exceptional circumstances, such as where we have reasonable grounds to consider that *your* or an *authorised person's* use of *your account* breaches the law (including sanctions laws) of Australia or any other country or the doing of the thing or an omission has a material impact (as defined below), we may close *your account* immediately.
- The doing of a thing or an omission has a 'material impact' if we reasonably consider that the doing of the thing or the omission by its nature is material, or it has had, or is likely to have, a material impact on:
- (a) *your* ability to meet *your* obligations under these terms and conditions; or
 - (b) *our* legal risk or reputation.
- 60.4 If we close *your account*:

- (a) we will take out all the money in *your account* and pay it to you by bank cheque or as you reasonably direct
 - (b) we can debit to *your account* any amount you owe us before we pay you the balance. We can also require you to pay us any amount you owe us on demand
 - (c) we will cancel any *payment facility* linked to the *account*
 - (d) you must destroy all *Visa cards* and any unused cheques linked to *your account*.
- 60.5 We're not liable for any loss you or an *authorised person* suffer (including consequential loss) as a consequence of us closing *your account*, except to the extent that loss is caused by the fraud or wilful misconduct of us, our related entities or our agents.
- 60.6 For clarity, if you have a term loan or term credit facility with us, we will not rely on this clause 60 to cancel *your term loan* or term credit facility before the end of the agreed term or to accelerate the repayment of *your term loan* or other term credit facility. These matters are governed by the terms and conditions of *your loan/ credit agreement* and *loan/ credit terms and conditions* (as applicable) with us.

61 Overdrawing

- 61.1 You need to keep track of how much money is in *your account*. You may be able to take out more money than you have in the *account*. This means that you have 'overdrawn' the *account*. For example, this can happen if there isn't enough money in *your account* to cover a cheque you write that we decide to pay, a purchase you make on *your Visa card* or a direct debit.
- 61.2 If this happens you must immediately put more money into *your account* so that it has at least the required minimum balance. We can also charge you a fee (see the *product schedule*).

62 Adjustment

If there's an error processing a transaction on *your account*, or a transaction is dishonoured, we can adjust the balance of *your account* to correctly reflect the legal obligations between you and us.

63 Right to combine accounts

- 63.1 If you owe us money, we may choose to transfer money from any *account* you have with us to pay off all or some of the amount owing. This may occur, for example, if you overdraw

a *savings account* or *transaction account* or haven't paid us an amount you owe under a *credit* or *loan account* with us.

- 63.2 We will not exercise our right to combine *your accounts* in connection with amounts you owe in respect of any credit facility that is regulated by the *National Credit Code* where we're not allowed to do so under the *National Credit Code*.
- 63.3 We will promptly notify you if we combine *your accounts*, however, we need not notify you in advance.
- 63.4 You can't set-off any amount we owe you against an amount you owe us.

64 Account monitoring

- 64.1 We may from time to time require you or *authorised persons* to provide additional information about you, an *authorised person* or *your account*. You must provide us with any additional information (including documents) we reasonably request.

65 Inactive accounts

- 65.1 Without limiting clause 60, if *your account* becomes inactive we may close *your account*. We will usually notify you before we close *your account*, but there may be circumstances where we are not able to do so (such as where our record of *your address* is out of date).
- 65.2 *Your account* becomes inactive if:
- (a) no customer-initiated transactions are made on the *account* during the last 2 years and
 - (b) the balance of the *account* is less than \$10 or the *account* is in debit without any arrangement agreed with us to repay the debit balance

unless you've asked us to treat *your account* as active within the last 2 years and we've agreed to do so.

- 65.3 If *your account* becomes inactive we may stop sending you statements for *your account*.
- 65.4 Fees and charges may still apply to inactive *accounts*.

66 Unclaimed moneys

- 66.1 Without limiting clause 60, if you have not used *your account* for 7 years we may close *your account* and we will generally have to transfer any money in *your account* to the government's unclaimed moneys fund. We will usually notify

you before we close *your account*, but there may be circumstances where we are not able to do so (such as where *our record of your address* is out of date). After *your account* is closed any money owed to you will not earn interest.

- 66.2 Visit us in any of *our branches* or call us to find out how to recover unclaimed money (it may take up to 3 months or more to recover money that has been transferred to the government).

67 Complaints

- 67.1 If *you* have a complaint or feedback please contact us.

Our contact details for complaints or feedback are:

Mail: Contact Centre Operations Manager

Phone: 13 13 86

- 67.2 We'll try and resolve *your complaint* promptly and we won't charge *you* any fees for handling *your complaint* (unless we're required to by law).
- 67.3 If *you* don't think *our response to your complaint* is satisfactory and *you* ask us to review it we will:
- (a) acknowledge receipt of *your request* promptly
 - (b) investigate *your complaint*
 - (c) decide on the appropriate action
 - (d) provide *you* with a written response letting *you* know the outcome of *your complaint*.
- 67.4 If we can't resolve *your complaint to your satisfaction* you can take *your complaint* to the Australian Financial Complaints Authority (AFCA), *our independent external dispute resolution scheme*.

68 Changes to your terms and conditions

- 68.1 We may change these terms and conditions and any other terms and conditions that apply to *your account* or the products or services (including *payment facilities*) available with *your account*, including terms and conditions set out in a *product schedule*, without *your consent* at any time and *you* will be bound by the changes we make.

We'll act reasonably when exercising these rights and only do so for legitimate business purposes and in accordance with the law.

- 68.2 Without limiting clause 68.1, we may make the following types of changes without *your consent* at any time:
- (a) changes to the interest rate(s) applicable to *your account*
 - (b) changes to how we calculate interest and how often we charge or pay interest (including any interest free period)
 - (c) changes to fees and charges (including introducing new fees and charges, changing the amount or frequency of them or how we calculate them or the time of or for payment)
 - (d) changes to *your account* type, the features of *your account* or the products or services, including *payment facilities*, available with or for *your account*
 - (e) changes to reflect changes in *our product* or service mix or offering or changes to the risks, or the features or benefits, of an *account* or another product or service (including a *payment facility*)
 - (f) changes to convert *your account* into another type of *account*
 - (g) changes we reasonably consider are required to:
 - (i) meet *our legal obligations*
 - (ii) reflect any law, code, official directive or standard or the requirements, guidelines or views of any *authority* or regulator, including changes, or anticipated changes, to any of these
 - (iii) reflect judgments, decisions or findings of any court, tribunal or other *authority* or the decisions, findings, requirements, guidelines or views of any external disputes resolution body of which we're a

member

(h) changes which:

- (i) impose, remove or change limits on transactions, a *payment facility* or electronic equipment
 - (ii) impose, remove or adjust the required minimum balance
 - (iii) change, including increase, *your* liability in relation to losses relating to actions, omissions or transactions
 - (iv) reflect changes to *our* financial position, cost of funds or pricing
 - (v) reflect changes to *our* structure, business, technological infrastructure, platforms and/or systems, or other systems or procedures
 - (vi) reflect current industry or market practice or conditions
 - (vii) are for prudential or risk management reasons
 - (viii) are for security reasons
 - (ix) are administrative or correct a mistake or omission or an ambiguity
 - (x) we reasonably think *you'll* benefit from
 - (xi) are reasonably necessary to protect *our* legitimate interests
- (i) changes to streamline the administration of an *account* or another product or service (including a *payment facility*)
- (j) changes to make *our* terms and conditions clearer or simpler.

68.3 We'll notify *you* of changes in the manner set out in the table below and *you* agree to receive notice in that manner.

Type of change	Time frame	Method of notification
Changes to interest rates Changing an interest rate applicable to <i>your account</i> (including reducing an interest rate to nil), where we reasonably consider the change is unfavourable to <i>you</i>	If the change is made on an individual basis, 30 days Otherwise, no later than the day on which the change takes effect	In writing* or by advertisement in the national or local media (we will also confirm the change in <i>your</i> next statement)
Other interest changes Changing the way we calculate interest on <i>your account</i> (including any interest free period or the balance fiers that determine the interest rate(s)), where we reasonably consider the change is unfavourable to <i>you</i> (other than by changing an interest rate applicable to <i>your account</i>) Changing how often we charge or pay interest or which part of the balance of <i>your account</i> interest applies to, where we reasonably consider the change is unfavourable to <i>you</i> Varying the circumstances in which interest is credited or debited to <i>your account</i> or when interest is credited or debited to <i>your account</i> , where we reasonably consider the change is unfavourable to <i>you</i>	30 days	In writing* or by advertisement in the national or local media (we will also confirm the change in <i>your</i> next statement)

Fees and charges (other than government fees or charges)	30 days	In writing* or by advertisement in the national or local media (we will also confirm the change in your next statement)
Introducing a new fee or charge		
Increasing the amount of a fee or charge		
Otherwise changing a fee or charge (including how we calculate a fee or charge, the frequency of a fee or charge or the time for payment of a fee or charge), where we reasonably consider the change is unfavourable to you		
Reducing the number of fee-free transactions permitted on your account or in relation to the use of a payment facility		

Government fees or charges	No later than the day on which the change takes effect, unless the government publicises the change, in which case we don't need to notify you	In writing* or by advertisement in the national or local media, unless the government publicises the change
Introducing or increasing a government fee or charge		

Liability	30 days	In writing*
Increasing your liability for losses in relation to transactions		

Limits and minimum balances	30 days	In writing*
Imposing, removing or changing limits on your account, transactions, a payment facility or electronic equipment (excluding credit limits on credit or loan accounts), where we reasonably consider the change is unfavourable to you		
Increasing the minimum balance required to be kept in your account		

Changes not unfavourable to you	When we provide your next statement, even if the change is covered elsewhere in this table	In writing* or by advertisement in the national or local media (we will also confirm the change in your next statement) or in or with your next statement, even if the change is covered elsewhere in this table
Changes we reasonably consider reduce your obligations to us or are not unfavourable to you, including changes that reduce the interest rate or fees or charges applicable to your account or that extend the time for payment		

Other changes	30 days	In writing* or by advertisement in the national or local media
Other changes where we reasonably consider the change is unfavourable to you		

*Notices in writing may be provided by electronic means (see clause 70), including by:

- email to your last notified email address, SMS to your last notified phone or other number, notification via *online banking* (if you're registered for *online banking*) or push notification to any app we make available to you
- making particulars of the changes, matters as changed and/or the documents that have changed available in *online banking* (if you're registered for *online banking*) or on

our website and telling you they're there and how to access and retrieve them (including by letter or other paper form or by electronic communication, including by any of the electronic methods of communication referred to above or any other method of electronic communication permitted by law)

- any other method of electronic communication permitted by law.

68.4 You may request that *your account* be converted into a different type of *account*. We may place restrictions on the *accounts* that can be converted. Please contact us if you require more information.

68.5 Without limiting clauses 68.1 to 68.3, we may cease to offer particular types of *account*, *account* features, services available with or for *your account* or *payment facilities* from time to time. If we do so, and you have an *account* of the type affected, we may:

- (a) allow you to continue to hold the *account* (if we continue to offer the *account*) without the relevant *account* features, services or *payment facilities* being available
- (b) give you reasonable notice that the *account* will be converted into another type of *account* that we specify, or that we will close your *account* by a specified date.

We'll act reasonably when exercising these rights and only do so for legitimate business purposes and in accordance with the law.

68.6 If you have a loan or other credit facility (including a credit card account) with us, we will not rely on this clause 68 to make changes to your loan/ credit agreement and loan/ credit terms and conditions (as applicable) with us, other than terms and conditions in connection with access methods and/or *payment facilities* for your *credit* or *loan account* or other methods we make available to you or an *authorised person* to give us an instruction or authority to act on an instruction or otherwise access or use your *account* or any *payment facility*.

69 Statements

69.1 We will send you a statement for *your account* every 6 months or more often than that if a shorter period is specified in the *product schedule* or your loan contract or credit contract or if required by law. You can request statements more often but this may incur a fee (as detailed in the *product schedule*).

69.2 It's important that you read *your* statements carefully and notify us straight away if you believe there has been a mistake in any transaction or a transaction is an unauthorised transaction.

70 Communications

70.1 You consent to us sending notices, statements, documents and communications to you by:

- (a) email to the email address last notified, SMS to the phone or other number last notified, notification via *online banking* (if you're registered for *online banking*) or push notification to any app we make available to you
- (b) making the notice, statement, document or communication available in *online banking* (if you're registered for *online banking*) or on our website and telling you it's there and how to access and retrieve it (including by letter or other paper form or by any of the electronic methods of communication referred to in clause 70.1(a) or by any other method of electronic communication permitted by law)
- (c) any other method of electronic communication permitted by law,

and we may do this unless otherwise required by law.

70.2 You understand that by giving this consent:

- (a) paper documents may no longer be given
- (b) your electronic communications and *online banking* must be regularly checked for notices, statements, documents or communications
- (c) this consent may be withdrawn at any time by providing notice to us.

70.3 We may still choose to give you notices, statements, documents and communications in paper form.

70.4 All communications in connection with these terms and conditions and other terms and conditions that apply to *your account* must be in writing. Communications from you must be signed by you.

70.5 Email communications must state the first and last name of the sender and are taken to be signed by the named sender.

70.6 Communications from you to us must be:

- (a) given personally

- (b) left at the address last notified
 - (c) sent by prepaid ordinary post to the address last notified
 - (d) sent by email to the email address last notified.
- 70.7 Communications from us to you or an *authorised person* may be:
- (a) given personally
 - (b) left at the address last notified
 - (c) sent by prepaid ordinary post to the address last notified
 - (d) sent by email to the email address last notified
 - (e) sent by SMS to the phone or other number last notified
 - (f) given, sent or made available by any of the electronic methods of communication referred to in clause 70.1(a) or by any other method of electronic communication permitted by law
 - (g) given, sent or made available in any other way permitted by law.
- 70.8 Communications take effect from the time they are received or taken to be received (whichever happens first) unless a later time is specified in the communication.
- 70.9 Communications are taken to be received:
- (a) if sent by post, 6 business days after posting
 - (b) if given, sent or made available by electronic means:
 - (i) when the sender receives an automated message confirming delivery, or
 - (ii) 4 hours after the time given, sent or made available (as recorded on the device from which the sender sent the email) unless the sender receives an automated message that the recipient is out of office or delivery failed,
 whichever happens first.
- 70.10 You must tell us immediately of any change to your name, residential address, postal address, email address or telephone number.
- 70.11 You must also tell us immediately if you change your citizenship, residency (including residency for tax purposes), tax information, any other contact details or anything that may affect your

capacity to operate *your account*. You can do this in any of *our* branches, in writing or by calling us.

71 SMS and email alerts

- 71.1 If the *product schedule* indicates it is available, you can choose to receive SMS and/or email alerts for information regarding:
- (a) *account* balances daily, weekly, fortnightly, monthly or when the balance reaches a nominated amount
 - (b) all deposits, or deposits for a nominated amount made to *your account*
 - (c) all withdrawals, or withdrawals for a nominated amount debited from *your account*, including direct debits
 - (d) all direct credits, or direct credits for a nominated amount made to *your account*.
- 71.2 Transactions that generate an SMS alert or email message and occur after 11:00pm and before 8:00am will be sent at approximately 8:00am the next day. Due to the delay in these messages being sent by us and received by you, information contained in these alerts is only accurate at the time the transaction that has caused the alert to be generated occurs and should only be relied upon as a reflection of *your account* status at that time. Balance alerts will be sent at approximately 8:00am.
- 71.3 The fees that apply to these services and whether they are available on *your account* will be set out in the *product schedule* or other terms and conditions that apply to *your account*.
- 71.4 You may select a start and/or end date for email and/or SMS alerts. If you don't select an end date, the service will continue until you notify us.
- 71.5 We're not liable for any loss you or an *authorised person* suffer (including consequential loss) arising from an SMS alert or email sent by us that is not received by you or the *authorised person*, except to the extent that loss is caused by the fraud or wilful misconduct of us, our related entities or our agents.

72 GST

If any supply made by us or payment made to us in connection with *your account* or your or an *authorised person's* access to or use of a *payment facility*, or otherwise under or in connection with this document or any other terms and conditions that apply to *your account*

is subject to GST, the amount to be paid will be increased so the amount retained by us after the payment of GST is the same as it would be if no GST were payable in respect of the supply or payment.

73 If you change your name, address or contact details or business structure

- 73.1 If you or your business changes its name, we need to amend our records as soon as possible. Before amending our records, we will require evidence of the change, such as a marriage certificate, birth certificate, dissolution of marriage, or certificate of registration of change of name or certificate of registration of business name.
- 73.2 If you have changed your address (home, business or email, where relevant) or contact details, you must promptly provide us with your new address or contact details as soon as possible. You can do this in any branch, in writing or by calling us.
- 73.3 You must notify us in writing as soon as possible of any proposed or actual change to your financial or legal status (including name changes, reorganisations, restructures, mergers, administration or receivership, schemes of arrangement, bankruptcies, liquidations, windings up, trust settlements, dissolutions, deregistration or any act or omission/ inaction which could result in any of these situations) or any other material change that may affect or impact upon your use of your account or any payment facility or your ability to continue operating in a financially viable manner.
- 73.4 You must notify us in writing as soon as possible if you're a company, firm, body corporate, incorporated association, partnership, other type of association, trust, authority or government body and there is a change in your directors or the membership of your governing body, shareholders, stakeholders, other controllers or beneficial owners. You must also notify us in writing as soon as possible if there is a material change to any of your constituent documents (for example, constitution, memorandum or articles of association, partnership agreement or rules of association).
- 73.5 You must notify us in writing as soon as possible if you're the trustee of a trust and there is a change in the beneficiaries or controllers of the trust or the beneficial owners of the trust assets. You must also

notify us in writing immediately if there is a material change to the trust deed or other terms of the trust.

- 73.6 We're not liable for any loss you suffer as a result of your failure to notify us of any of the matters referred to in this clause 73 or any other changes to your or an authorised person's circumstances, except to the extent that loss is caused by the fraud or wilful misconduct of us, our related entities or our agents.

74 General terms

- 74.1 The Australian Government Financial Claims Scheme (FCS) provides a guarantee for funds deposited with an authorised deposit-taking institution (ADI) up to a limit for each depositor. In the event that an ADI becomes insolvent, customers may be eligible to receive a payment under the FCS. More information about the FCS is available at www.fcs.gov.au.
- 74.2 When you open an account with us, you will be asked to provide your TFN, ABN (for business customers) or details of an exemption that applies to you. It's not compulsory to provide a TFN or ABN in relation to an account. However, if you don't give us your TFN or ABN (for business customers), or details of an exemption that applies to you, we may be required to deduct tax at the highest marginal rate plus the Medicare levy from interest earned on the account. We may also exercise any of our other rights under this document or any other terms and conditions that apply to your account.
- 74.3 For the purposes of Division 396 of the Taxation Administration Act 1953 (Cth) you warrant that if you direct us to place a 'hold mail' or 'care of' address on any of your accounts, you're an Australian resident for taxation purposes.
- 74.4 We can transfer or otherwise deal with our rights under these terms and conditions or allow any interest in them to arise without your consent. You can't do any of these things without our consent.
- 74.5 If any part of these terms and conditions is prohibited or unenforceable, it's ineffective to the extent of the prohibition or unenforceability.
- 74.6 If we say in these terms and conditions that we'll do something on a day and that day isn't a business day, we'll do it on the next business day unless we state otherwise.
- 74.7 Except where this document expressly provides otherwise, our rights under this document are cumulative and are in addition to, and don't

limit, any other rights we may have, whether under this document, under any other terms and conditions that apply to *your account* or provided by law independently of this document or those other terms and conditions.

- 74.8 Any failure by us to charge a fee, charge or other amount we are entitled to charge does not constitute a waiver of that fee, charge or other amount or the right to charge that fee, charge or other amount in the future.
- 74.9 These terms and conditions are governed by the laws of New South Wales and we and you accept the non-exclusive jurisdiction of the courts having jurisdiction there.
