1 The credit card contract

We offer you a card on the terms of this *credit card contract*. You accept our offer and you agree to be bound by the *credit card contract* when you activate your card. If you do not wish to accept our offer, do not activate your card (or allow any additional cardholder to activate their card) and return all cards to us.

2 Your account

2.1 We will establish an *account* in your name. The *account* will record all amounts you owe and all other *transactions* in respect of this *credit card contract*.

2.2 You authorise us to debit your *account* with any *purchases*, *cash advances* and *balance transfers* owing under this *credit card contract*. The amounts debited to your *account* will form part of the amount you owe us.

3 Your card

Cards can be used to:

- (a) make *purchases*
- (b) obtain *cash advances*,

where the Visa logo is displayed.

4 Additional cardholders

4.1 You can ask us to issue a card to another person, provided that person is at least 16 years old. If we accept your request, we will issue that person with a card. You are responsible for their use of your *account*.

4.2 Every additional cardholder has limited access to your *account*. Additional cardholders can only:

- (a) access the *account* using an *access method*
- (b) use their card to make *purchases*
- (c) use their card to obtain *cash advances* from ATMs
- (d) select a *PIN* for their card
- (e) obtain information about your *account*, including balance and statement details
- (f) report their card as lost or stolen
- (g) request refunds of *transactions*.

4.3 Any *transactions* made by an additional cardholder will be debited to your *account* in accordance with clause 2.2 and will form part of the amount owing.

4.4 If you ask us, we will cancel an additional cardholder's card. When the card is cancelled, the additional cardholder will no longer have access to your *account*.

4.5 If you die, any additional cards issued will be cancelled, and no additional cardholders will be able to access your *account*.

5 Accessing your card and the account

The use of your card is subject to Parts E – G of our Deposit and Credit Accounts Terms and Conditions – Part 1. That document forms part of your *credit card contract*. Please read this document carefully to understand how you must use your card and how you must protect your *access methods* and your *access codes*, including your *PIN*.

Parts E – G of our Deposit and Credit Accounts Terms and Conditions – Part 1 also contain the terms and conditions that apply to the *access methods* which you can use to access your *account*, for example, ATMs, *internet banking* or *mobile banking*. It also contains important information about when you can ask us to refund a *transaction*. Please read this document to understand how to use those *access methods* and how you can ask us for a refund.

6 Cash advances

6.1 You or an additional cardholder can access a *cash advance* by completing a form at one of our branches, using an ATM, or through another *access method* like *internet banking*. You or an additional cardholder may also be able to obtain a *cash advance* at other financial institutions displaying the Visa logo.

6.2 A fee may apply when obtaining a *cash advance*. The fee is detailed in your *credit card agreement*.

6.3 Other financial institutions both within Australia and overseas may place limits and charge fees for *cash advances* made over the counter or using their ATMs or terminals.

7 BPAY®

7.1 Your *account* can only be used to make a BPAY® payment if the biller accepts credit card payments. If the biller accepts credit card payments, the payment will be treated as a *purchase*.

7.2 If the biller does not accept credit card payments but you want to make a BPAY® payment from your *account*, the payment will be a *cash advance*, and a fee may apply (as described in your *credit card agreement*).

8 Holds on your account

8.1 Sometimes a merchant will place a hold on your card or an additional cardholder's card for an agreed amount before a purchase is made. For example, a hotel might require you to hand over your card at the beginning of a stay as security for the cost of your accommodation. The hotel will use your card to confirm that there is sufficient available funds in your *account* to cover the cost of your stay.

8.2 This does not amount to a *transaction*. A "hold" will be placed on funds in your *account* up to that amount. You will not be able to access those funds until the "hold" is removed. When a *transaction* for this amount is processed, the "hold" will be removed. You may be prevented from accessing those funds over which the merchant has placed a "hold" for a period of up to 14 days.

9 Balance transfers

9.1 You may request us to accept a *balance transfer*. Applications for *balance transfers* are subject to our approval. *Balance transfers* will only be accepted from a credit card issued by another Australian financial institution unless we indicate otherwise.

9.2 The way interest on the *balance transfer amount* is calculated is explained in clause 15.

9.3 You must continue to make all necessary payments to your existing credit card account with your financial institution or other card issuer until you receive confirmation from us that payment of the *balance transfer amount* has been processed, and that the *balance transfer amount* has been debited to your *account*.

9.4 A *balance transfer* may affect the availability of an interest free period.

10 Transactions outside Australia

10.1 We charge you a foreign currency conversion fee as described in your *credit card agreement* when you make a *transaction* in a foreign currency or in Australian dollars:

- (a) when you are outside of Australia
- (b) in Australia (for example, online) where the merchant or the financial institution processing the *transaction* is located outside of Australia.

10.2 Your *account* will be debited in Australian dollars for *transactions* referred to in clause 10.1 above, plus any fees and charges.

10.3 Conversion rates are set by Visa and can fluctuate until the time the *transaction* is debited to your *account*.

10.4 *Transactions* are converted from the currency of the *transaction* to the Australian dollar equivalent (or to United States dollar then to the Australian dollar equivalent), as at the date they are processed by Visa.

10.5 Both debits and credits in foreign currencies to your *account* are subject to international conversion rates.

10.6 All international *transactions* are listed on your statement in the currency of the *transaction* and the Australian dollar equivalent.

11 Limits on your account

11.1 The *credit limit* is the maximum amount of credit that may be obtained under this *credit card contract*, including any accrued interest, fees or charges. We may allow the *credit limit* to be temporarily exceeded from time to time, but this does not mean that we agree to increase your *credit limit*.

11.2 You may ask us to reduce your credit limit to an amount not less than the *minimum credit limit* by calling us, visiting one of our branches, through *internet banking*, *mobile banking* or our website at www.greater.com.au

11.3 You agree to provide us with any reasonable information we request to allow us to reduce your *credit limit*.

11.4 We will take reasonable steps to ensure that your request to reduce your *credit limit* is applied as soon as practicable.

11.5 Your *account* is also subject to the following daily transaction limits.

Transaction type	Daily limit
Purchases	\$10,000 per card
Cash advances over the counter at one of our branches	\$2,500 per card
Cash advances made in other ways, e.g. using an ATM	\$1,500 per card

For *balance transfers*, the minimum amount is \$200 and the maximum amount is your *credit limit*.

12 Statements

12.1 We will send you a statement for your *account* every month, unless the law does not require us to.

12.2 Each statement includes the *transactions* made by you during the *statement period*, the amount owing for that *statement period*, and the minimum payment amount for that *statement period*.

13 Asking for a refund

13.1 You should check your statement carefully as soon as you receive it, and you should tell us as soon as possible if you think there has been a mistake, or an unauthorised *transaction*.

13.2 If you do not tell us within 30 days of the statement date, we may lose our ability to refund the disputed *transaction* to you.

13.3 More information about when you may request a refund from us is included in Parts E – G of our Deposit and Credit Accounts Terms and Conditions – Part 1.

14 Repayments

14.1 You must make regular repayments to your *account* under this *credit card contract*. Every month, you must pay the minimum payment amount indicated on your statement.

14.2 You may pay these amounts in the manner described in your statement. Additional payments can be made at any time.

14.3 Repayments will be credited to your *account* only after they have been received by us. This includes cheques and transfers from accounts which may take several days to clear. If a payment is dishonoured, it will be treated as if it was never made.

14.4 All repayments must be made in full when they are due, and you must not reduce a repayment because you believe we owe you anything.

14.5 We will apply payments to your last statement's closing balance until the full balance is paid. We apply payments to amounts owing which incur the highest interest rates at the statement date first. After payments have been applied to pay the closing balance, they will be used to pay amounts incurred in the current statement period.

14.6 We will not pay interest on any credit balance on your *account*.

15 Interest

15.1 An interest free period may apply to *purchases* made on your *account*. The maximum interest free period will be specified in your *credit card agreement*. The actual interest free period you receive may be less than the maximum interest free period, due to the date on which the *purchase* is made and the date on which a statement period ends.

15.2 If you want to make use of the interest free period, each month you must pay the closing balance on your *account* specified in each statement in full by the due date. Otherwise, we will charge interest:

- (a) on the outstanding amount of the closing balance from the day following the due date for payment until it is paid

- (b) on each *purchase* made after the due date from the date of the *transaction* until:
 - (i) you make a payment that we apply to the *purchase* to repay the *purchase* in full, or
 - (ii) you pay the closing balance of the statement that covers the *purchase* in full by its due date.
- 15.3 Subject to any interest free period, interest for *purchases* is calculated by applying the daily percentage rate (which is the *annual percentage rate* divided by 365) to the outstanding *purchases balance* on your *account* at the end of each day.
- 15.4 Interest on the *cash advance balance* and *balance transfer amount* is calculated separately from all other transactions (including *purchases*) on your *account*.
 - (a) We will charge interest on the *balance transfer amount* at the applicable *annual percentage rate* from the date the *balance transfer* is received into your *account*.
 - (b) Interest on the *balance transfer amount* is calculated by applying the daily percentage rate (which is the applicable *annual percentage rate* divided by 365) to the outstanding *balance transfer amount* on your *account* at the end of each day.
 - (c) Interest on the *cash advance balance* is calculated by applying the daily percentage rate (which is the applicable *annual percentage rate* divided by 365) to the outstanding *cash advance balance* on your *account* at the end of each day.
- 15.5 Interest is debited to your *account* monthly in arrears on the last day of each *statement* period.

16 Changes to your credit card contract

- 16.1 We can change your *credit card contract* features, interest rates and fees, and any other term of your *credit card contract*.
- 16.2 If we make a change that you don't like, you can end your *credit card contract* at any time.
- 16.3 We will notify you of any change in accordance with the table below, unless the change reduces your obligations (in which case we will notify you in your next statement).

Change	Minimum notice period	Notice method
Interest rate changes	No later than the day of the change	In writing or by advertising in the national or local media (we will also confirm the change in your next statement)
Introducing a new fee or increasing the amount or frequency of a fee	20 days	In writing or by advertising in the national or local media (we will also confirm the change in your next statement)
Reducing your <i>credit limit</i> or suspending your <i>account</i>	As soon as practicable (notice is not required if you are in default)	In writing
Other changes, including increasing your minimum payment	20 days	In writing

17 Fees and charges

- 17.1 You must pay us all credit fees and charges in the circumstances described in the *credit card agreement*. Unless we notify you, these fees and charges will be debited to your *account*.
- 17.2 You must also pay us government fees and charges, including any additional stamp duty in connection with the *credit card contract*.

18 Suspension or cancellation of your account

- 18.1 If you do not pay the minimum payment amount for a *statement period* by the due date, we may suspend or cancel your *account* and may not provide any further credit to you. The suspension may remain in place until you pay the minimum repayment amount and you satisfy any other requirements we impose. We may also suspend or cancel your *account* if we reasonably consider it necessary to prevent fraud or other losses to you or us.
- 18.2 If we suspend your *account* you must continue paying the minimum payment amount shown on each statement after the suspension. We continue to charge interest and fees and charges to your *account* until you repay your *account* in full.
- 18.3 You and any additional cardholder must not try to obtain credit in relation to the *account* after we suspend your *account*. If we have suspended your *account*, you may only use your *account* if we reinstate it.

19 Cancellation of cards

- 19.1 We may cancel your card or an additional cardholder's card at any time without notice to protect you or us from fraud or other losses, to manage regulatory risk, or for any other reason determined by us acting reasonably. You must use reasonable efforts to destroy the cancelled card as soon as possible after you become aware of it being cancelled.
- 19.2 You may cancel a card by:
 - (a) calling 1300 731 144, 24 hours a day, 7 days a week
 - (b) visiting one of our branches
 - (c) calling the Visa Global Customer Assistance Service if you are outside Australia on +1 303 967 1090. Further information can be found at <https://www.visa.com.au/support/consumer/lost-stolen-card.html>
- 19.3 If a card is cancelled, you are responsible for cancelling any regular payment authorities that are linked to your *account* when the card is cancelled. This includes any regular payment authorities of an additional cardholder.

20 Default

When are you in default?

- 20.1 You are in default if:
 - (a) you do not pay any amount payable under the *credit card contract* by the date you are required to do so
 - (b) you do not or an additional cardholder does not comply with any of the other terms of the *credit card contract*
 - (c) you give us or have given us incorrect or misleading information in connection with this *credit card contract*
 - (d) we reasonably believe you or an additional cardholder has acted fraudulently in connection with this *credit card contract*

- (e) you die, become bankrupt, or steps are taken to make you so
 - (f) this *credit card contract* is, becomes or is claimed to be void, voidable or unenforceable or it is or becomes unlawful for you to comply with any of your obligations under it
 - (g) you are in default under any other credit contract you have entered with us.
- 20.2 You must notify us immediately if you become aware that you are in default under this *credit card contract*.

What can happen then?

- 20.3 If you are in default, we may give you a notice stating that you are in default.
- 20.4 If you do not correct the default within any period given in the notice or any longer period required by law, then, at the end of that period and without further notice to you, the total amount owing on your *account* becomes immediately due for payment (to the extent it is not already due for payment). We may then sue you for that amount.
- 20.5 In limited circumstances set down by law (such as if we are unable to locate you), we need not give the notice or wait until the end of any period given in a notice. Instead, if you are in default, the total amount owing on your *account* becomes immediately due for payment without notice. We may then immediately sue you for that amount.

21 Enforcement expenses

- 21.1 Enforcement expenses may become payable under this *credit card contract* if you are in default (see clause 20 (Default)).
- 21.2 You must pay us on demand any reasonable expenses we reasonably incur in enforcing this *credit card contract* after a default (including expenses incurred in preserving and maintaining property such as by paying insurance, fees and taxes for the property after a default).
