For information on how your loan or credit account operates, including how interest is applied, refer to your specific loan contract.

Transaction and Service Fees and charges

Your loan or credit facility may be subject to transaction and service fees depending on use.

Transaction fees

You are charged transaction fees if you complete any of the following transactions.

If you have a Business Line of Credit there is a \$3.00 monthly fee allowance that is increased by \$3.00 per month for each whole \$1,000.00, based on the minimum monthly credit balance of your account.

If you have a Business Line of Credit the \$3.00 fee allowance is increased to \$20.00 per month if the account is for a charity or community based organisation.

If you have a Business Line of Credit a \$10.00 per month Loan Link Subsidy will apply if your account is linked to your Standard Variable Housing Loan. The account and loan must have at least one borrower in common.

You can apply for an exemption on your Access, Retirement Plus or Cash Management Account by linking that account to your home loan (excludes Line of Credit, Basic/Great Rate Home Loan or a qualifying personal loan approved from 1 July 2008).

You can apply for a subsidy on your Business Access Account or Greater Business Optimiser Account by linking that account to that qualifying loan.

To receive the linked loan allowance, the qualifying loan must be in the same name, or at least one of the same names, as your account.

Transaction fees are charged monthly on the first day of the following month and upon closure of the account.
