Who is this product suitable for?

The Standard Home Loan – Variable Rate is designed for:

- **Owner Occupiers** seeking a loan to finance the purchase or construction of a property or to refinance or borrow against their primary residence for personal use, or
- **Investors** seeking a loan to finance a property to be used for investment purposes.

The loan is targeted at customers who want:

- A competitive variable interest rate with no cap on additional repayments to pay off their loan faster.
- To choose a loan term of up to 30 years.
- The flexibility of weekly, fortnightly or monthly repayments.
- Redraw to allow access to funds available from additional repayments when they need it.
- No ongoing account keeping fees to minimise their costs.
- No standard transaction fees on a Retirement Plus or Cash Management account, when linked to a Standard Home Loan in the same name.
- A home loan that can support a family pledge.

The loan offers two repayment options

- **1. Principal and Interest** for customers who want to pay down their loan and to own their property, or
- **2. Interest Only** for customers seeking to reduce their cash outflows by paying an interest-based repayment to minimise repayments (between 1 to 5 years).

Eligible borrowers must:

- Be 18 years of age and over.
- Be living in Australia, as either a citizen or permanent resident of Australia or a New Zealand citizen.

- Have a demonstrated ability to afford loan repayments.

The product is likely to be consistent with the objectives, financial situation and needs of the class of consumers in the target market. This is based on an assessment of the key terms, features and attributes of the product and determination that these are consistent with the identified class of consumers.
