

**What are the eligibility criteria for applying for a Grant with the Greater Charitable Foundation?**

Your organisation must be either an endorsed Deductible Gift Recipient (DGR) or be specifically named as a DGR in Subdivision 30-B of the Income Tax Assessment Act 1997.

**Accordingly, each applicant must provide:**

- A copy of the applicant organisation's "Endorsement as a Deductible Gift Recipient" issued by the ATO, OR the item number in which the applicant organization is named in Subdivision 30-B of the Income Tax Assessment Act 1997.

It is also desirable, but not essential, to provide:

- A copy of the applicant organisation's "Notice of Endorsement for Charity Tax Concessions" issued by the ATO on or after 1 July 2005.

The Greater Charitable Foundation cannot make grants to other private ancillary funds.

If your notice of endorsement as a DGR states the "Provision for gift deductibility" is "item 2 of the table in section 30-15 of the Income Tax Assessment Act 1997", your organization will be an ancillary fund and therefore not entitled to receive grants.

All organisations applying to the Foundation must also advise their ABN.
